Where there is no law there is no sin Where there no sin there is no need for grace Therefore in the absence of the law grace is futile

When the Spirit Moves Vincent Goddard,2022-02-10 Pastor Vince s memoir When the Spirit Moves is a carefully crafted literary exposition of the faithful journey of a poor Jamaican born Englishman Yet because of its articulated integrity and spiritual candour unnumbered thousands of Caribbean peoples will find this miraculous saga irresistible It has regional and international attractions and identifications baked into its articulated fibre Perhaps one of the most interesting aspects of this easy to read but hard to put down autobiography is the fact that the content generates emotional turbulence Yet at the same time it provides hope and comfort peace and pleasure vision and faith all wrapped securely in a sound Biblical theological blanket What Pastor Vince humbly permitted God to do in his life and with his lifestyle drowns out most excuses for living a life without purpose His story takes away excuses for not being all that God intends for one to become It leaves no excuses for failures By the grace of God Pastor Vince made quality decisions and did many magnanimous things that most people generally fail to do Ironically Pastor Vince like so many Caribbean and African peoples whose lands and treasures were borrowed destroyed or stolen had the courage to forgive and forget the colonial history Most interestingly they risked life in many instances to leave their native lands and journey to the very heart of the socio political and economic global empire that once oppressed They took advantage of available opportunities that enabled them to survive and thrive through hard work education and raw faith in themselves and a sanctified faith in Almighty God

The Gospel In The Setting Of End-Time Events Leonard Philips Tolhurst,2022-06-09 Since the beginning Seventh day Adventists have developed a high interest in Bible prophecy In addition to studying end time events early Seventh day Adventists also focused on studying and teaching distinguished doctrines such as the Second Coming the sanctuary the state of the dead the three

angels messages the Sabbath and the Ten Commandments Only after the 1888 Minneapolis General Conference did Seventh day Adventists start to give attention to the important truth of righteousness by faith This very teaching which almost split the church in 1888 has been a reason for debate and theological controversy This book was written because understanding righteousness by faith and the end time events are essential for every believer Pastor Leonard Tolhurst devotes several chapters to clearly outline what righteousness by faith is and what it is not He also addresses some difficult topics such as the human nature of Christ A person s view on whether Jesus had a sinful or sinless nature determines to a large extent his or her understanding of righteousness by faith Some chapters deal with the 2 300 day prophecy of Daniel and their interpretations by futurists and preterists The second half of the book focuses on end time events the three angels messages the latter rain the sealing Armageddon among others It ends with the Second Coming and the millennium Each chapter is filled with Bible texts Ellen G White quotes and a list of Supportive Sources for further study The book is a tremendous resource for Bible teachers ministers and church members
