Negotiating the Shadows Rachael A. Keefe, 2010-09-20 This book invites the reader to experience Lent as a spiritual journey It begins on Ash Wednesday with an invitation to engage with Christ to have daily conversation with him and to walk with him through the struggles and challenges of daily living Each day offers a poetic insightful meditation on Scripture verses that voice the human spirit's longing for the Holy Spirit As the journey unfolds the reader will experience the searing heat of the desert sun and the confusing shadows of the wilderness The invitation to follow Christ seek Christ and be found by Christ leads the reader through the perils of the season with the promise of Easter morning Those familiar with biblical texts will be drawn in by the vivid images and relevant messages of the poems Similarly those for whom biblical texts are less well known will find intriguing and accessible images that might even prompt a desire to learn more Lay people and clergy across denominations will find comfort and challenge in the familiar being made new should they accept the invitation to follow Christ into the desert and the wilderness contained within us all and persevere until the journey ends in resurrection
