Sales Training Manual for Smaller Stores Leonard F. Mongeon, 1955 *NRB Sales Training Manual* National Research Bureau (Chicago, Ill.), 1953 **Distribution Data Guide**, 1958 **Sales Training for the Smaller Manufacturer** Kenneth Lawyer, 1954 **New Zealand TWI: Appreciation, Operating and Follow Up Programs** Mark Warren, 2012-05-03

The New Zealand Appreciation Organizing and Follow Up materials are the result of more than 30 years of continual development. One of the first projects for the New Zealand TWI Service was to establish a research group to validate and improve the TWI programs to improve the outcomes for their enterprises. In 1947 New Zealand had only 6 companies with more than 500 employees. The best examples of TWI use in the USA and England were with the larger companies. Elizabeth Betty Huntington was the first trainer having been trained in England from 1944. 1946 made an immediate effort to get in touch with the American founders of TWI. She corresponded with the TWI Foundation for more than 20 years, using them as mentors and a resource for further development. The Americans developed internal Staff Only training manuals to standardize how the TWI Staff approached prospective companies and what commitment was needed to ensure a successful implementation.
