NCLEX PN Examination is organized to address specific Client Needs and Integrated Processes to mirror the NCLEX PN test plan. This review follows Silvestri Comprehensive Review as the natural next step for students in the Silvestri suite of products. It contains 3 200 practice questions including Alternate Item Format that include comprehensive rationales for both correct and incorrect options, test taking strategies, and a textbook page reference for further explanation. This title includes additional digital media when purchased in print format. For this digital book edition, media content may not be included. Remediation tied directly back to your Elsevier textbooks provides resources for further study. Content is organized according to Client Needs, providing an organized review for exam preparation and end of course or exit standardized exams. Practice questions, answers, and detailed rationales all appear on the same page, giving you immediate feedback on your responses. Detailed test taking strategies for each question give you clues for analyzing and uncovering the correct answer option. Rationales are provided for both correct and incorrect options. Provides computerized testing practice in study quiz or exam modes to allow you to choose from 21 different content categories and focus your study sessions. Each question is categorized by level of cognitive ability, Client Needs area, integrated process, and clinical content area to allow you multiple study and exam selections. Contains chapters on academic and nonacademic NCLEX PN preparation advice from a recent nursing graduate and test taking strategies that help you understand complicated exam questions. Comprehensive exam consists of 85 questions related to all content areas in the book and representative of the percentages identified in the NCLEX PN test plan. Fully updated to meet the 2008 iteration of the NCLEX PN test plan as well as all other current nursing practices. 200 additional questions bring the total to 3 200 with practice in both print and electronic formats. More Alternate Item Format questions give you valuable practice in this important and sometimes tricky area. Companion CD now allows for automatic software updates so you can check for changes and updates to content throughout the life of the edition. New heart and lung audio questions prepare you for items that could appear on future iterations of the NCLEX PN test plan.

NCLEX-PN Exam Prep Wilda Rinehart Gardener, Wilda Rinehart, Diann Sloan, Clara Hurd, 2015. 645 questions with detailed answers includes alternate item formats.
