Business Law Joanne Cox,2012 Written by leading experts in the field the fifth edition of Business Law is designed to provide trainee solicitors with a clear understanding of key aspects of business law one of the most challenging and dynamic areas of law in study and in practice Each chapter gives a clear overview of the subject as well as focusing on the legal issues that solicitors face in practice Coverage includes establishing and operating a business buying and selling a business selected business law issues and business arrangements This fifth edition of the book features new chapters on corporate governance and on terms and conditions of sale The manual is essential reading for trainee solicitors on the Law Society of Ireland s Professional Practice Courses and is also an excellent resource for Irish legal practitioners *The Authority Guide to Writing and Implementing a Marketing Plan* Ambrose Blowfield,Jo Blowfield,2017-07-17 Get the most from your marketing with an expert plan that really gets results Written especially for small businesses this Authority Guide shows you how to write and execute your marketing plans efficiently and accurately Ambrose and Jo Blowfield will help you create plans using proven affordable marketing tactics for both digital and traditional strategies You ll have a year long marketing plan that is structured well thought out and targeted to your ideal clients allowing you proactively to promote your business p p1 margin 0 0px 0 0px 2 9px 0 0px font 10 0px Helvetica Neue color d767ac p p2 margin 2 9px 0 0px 5 7px 0 0px text align justify font 9 0px Helvetica Neue The Fissured Workplace David Weil,2014-02-17 In the twentieth century large companies employing many workers formed the bedrock of the U S economy Today on the list of big business s priorities sustaining the employer worker relationship ranks far below building a devoted customer base and delivering value to investors As David Weil s groundbreaking analysis shows large corporations have shed their role as direct employers of the people responsible for their products in favor of outsourcing work to small companies that compete fiercely with one another The result has been declining wages eroding benefits inadequate health and safety protections and ever widening income inequality From the perspectives of CEOs and investors fissuring splitting off functions that were once managed internally has been phenomenally successful Despite giving up direct control to subcontractors and franchises these large companies have figured out how to maintain the quality of brand name products and services without the cost of maintaining an expensive workforce But from the perspective of workers this strategy has meant stagnation in wages and benefits and a lower standard of living Weil proposes ways to modernize regulatory policies so that employers can meet their obligations to workers while allowing companies to keep the beneficial aspects of this business strategy Labour Relations in the Global Fast-Food Industry Tony Royle,Brian Towers,2004-08-02 The fast food industry is one of the few industries that can be described as truly global not least in terms of employment which is estimated at around ten million people worldwide This edited volume is the first of its kind providing an analysis of labour relations in this significant industry focusing on multinational corporations and large national companies in ten countries the USA Canada the UK the Netherlands Germany

Australia New Zealand Singapore and Russia The extent to which multinational enterprises impose or adapt their employment practices in differing national industrial relations systems is analysed Results reveal that the global fast food industry is typified by trade union exclusion high labour turnover unskilled work paternalistic management regimes and work organization that allows little scope for developing workers participation in decision making let alone advocating widely accepted concepts of social justice and workers rights
