Automotive News, 2008 *The Self-Destructive Habits of Good Companies* Jagdish N. Sheth, 2007-04-26 Why do so many good companies engage in self-destructive behavior This book identifies seven dangerous habits even well-run companies fall victim to and helps you diagnose and break these habits before they destroy you Through case studies from some of yesterday's most widely praised corporate icons you'll learn how companies slip into addiction and slide off the rails why some never turn around and how others achieve powerful turnarounds moving on to unprecedented levels of success You'll learn how an obsession with volume leads inexorably to rising costs and falling margins how companies fall victim to denial myth ritual and orthodoxy how they start wasting vital energy on culture conflict and turf wars how they blind themselves to emerging competition how they become arrogant complacent and far too dependent on their traditional competences Most important you'll find specific detailed techniques for curing or better yet preventing every one of these self-destructive habits The cocoon of denial Find it admit it assess it and escape it The stigma of arrogance Escape this fault that breeds in a dark closed room The virus of complacency Six warning signs and five

solutions The curse of incumbency Stop your core competencies from blinding you to new opportunities The threat of myopia Widen your view of your competitors and the dangers they pose The obsession of volume Get beyond rising volumes and shrinking margins The territorial impulse Break down the silos factions fiefdoms and ivory towers Library of Congress Subject Headings Library of Congress, Library of Congress.
