Toczec, 2001-04-30 Toczec provides the first description of the entire battle of Ap Bac and places it in the larger context of the Vietnam War The study thoroughly examines the January 1963 battle complete with detailed supporting maps Ironically Ap Bac's great importance lies in American policymakers perception of the battle as unimportant for all their intelligence and drive senior American government officials missed the early warning signs of a flawed policy in Southeast Asia by ignoring the lessons of the defeat of the South Vietnamese Army ARVN on 2 January 1963 The outcome of Ap Bac was a direct reflection of how the U S Army organized equipped and trained the ARVN With all the ARVN officer corps's shortcomings the South Vietnamese Army could not successfully conduct an American combined arms operations against a smaller less well equipped enemy American leadership both military and civilian failed to draw any connection between ARVN's dismal performance and American policies toward South Vietnam Although certain tactical changes resulted from the battle the larger issue of American policy remained unchanged including the structure of the advisory system The role of federal military forces in domestic disorders, 1945-1992 Paul J.
