Fooling with the Amish Dirk Eitzen,2022-09-13 Using Amish Mafia as a window into the interplay between the real and the imagined this book dissects the peculiar appeals and potential dangers of deception in reality TV and popular entertainment When Amish Mafia was released in 2012 viewers were fascinated by the stories of this secret group of Amish and Mennonite enforcers who used threats extortion and violence to keep members of the Amish community in line and to line their own pockets While some of the stories were based loosely on actual events the group itself

was a complete fabrication Its members were played by ex Amish and ex Mennonite young adults acting out scenarios concocted by the show s producers What is most extraordinary about Amish Mafia is that even though it was fictional it was cleverly constructed to appear real Discovery Channel which aired it assiduously maintained that it was real whole episodes were devoted to proving that it was real and many viewers including smart reality TV fans were fooled into believing it was real In Fooling with the Amish Dirk Eitzen examines the fakery in Amish Mafia and how actual viewers of the show responded to it to discover answers to two questions that have long puzzled media scholars What is it about the so called reality of reality shows that appeals to and gratifies viewers How and why are people taken in by falsehoods in the media Eitzen s ultimate answer to these questions is that in taking liberties with facts Amish Mafia works very much like gossip This helps to explain the workings not just of this and other reality TV shows but also of other forms of media fakery including fake news The book winds through numerous fascinating case studies of media fakery from P T Barnum s famous humbugs of the nineteenth century to recent TV news scandals It examines the social and emotional appeals of other forms of entertaining fakery including professional wrestling and supermarket tabloids It explains how and why conventions of contrivance evolved in reality TV as well as the ethics of media fakery And for readers interested in the Amish it tells how the ex Amish stars of Amish Mafia got involved in the show and the impact that involvement had on their lives

Extraordinary Groups Richard T. Schaefer, William W. Zellner, 2015-10-22 Extraordinary Groups has had a storied history of excellence over multiple editions Now available from Waveland Press at the start of its fifth decade of availability its interdisciplinary approach to groups engaged in unconventional lifestyles makes it a popular textbook choice in hundreds of college courses across the social sciences including anthropology religion history and psychology Written by sociologists using and illustrating sociological principles the book is appealing because it is descriptive and explanatory rather than analytical Descriptions of the groups are interwoven with basic sociological concepts but systematic analysis and inductive reasoning are left to the discretion of the instructor Extraordinary Groups is a compelling overview of the broad tapestry of social life that constitutes the United States The illustrated full featured Ninth Edition includes a glossary and end of chapter key terms sources on the Web and selected readings

Amish Grace Donald B. Kraybill, Steven M. Nolt, David L. Weaver-Zercher, 2010-03-22 Praise for Amish Grace A story our polarized country needs to hear It is still grace that saves BILL MOYERS Public Affairs Television In a world where repaying evil with evil is almost second nature the Amish remind us there s a better way In plain and beautiful prose Amish Grace recounts the Amish witness and connects it to the heart of their spirituality SISTER HELEN PREJEAN author Dead Man Walking Faced with the notorious Amish aversion to publicity reporter after reporter turned to the authors to answer one question How could the Nickel Mines Amish so readily so completely forgive While the text provides a detailed account of the tragedy its beauty lies in its discovery of forgiveness as the crux of Amish culture Never preachy or treacly it suggests a larger meditation more than apt in our time Philadelphia Magazine This balanced presentation blends history

current evaluation of American society and an examination of what builds community into a seamless story that details the shootings while it probes the religious beliefs that led to such quick forgiving Recommended Library Journal Professors Kraybill Nolt and Weaver Zercher have written a superb book a model of clear forceful writing about a tragedy and its aftermath They have an obvious affection for the Amish yet ask tough questions weigh contradictions and explore conundrums such as how a loving God could permit schoolgirls to be massacred National Catholic Reporter Visit the authors Web site at www.amishgrace.com
