Songs of the Runaway Heart Marisa Fendi, 2024-09-25 Kamelia's goal was to get into Harvard. It led her to loneliness spending nights studying deserted by friends. Haikal did not have a goal. His main concerns were his motorcycle, his nights out in Kuala Lumpur, and his brothers. Despite their fathers' bond over wealth and luxuries, Kamelia and Haikal's bond was made up of glares and stolen ice pops. But one day everything stopped. The banter, the bag tugging, the eye rolling. Kamelia had disappeared gone overnight. Nine years pass. Haikal's life revolves around his daughter rather than his motorcycle. His main concerns are balancing work at the law firm and being a single father. But then he meets a woman with chaotic brown hair, red lips, and sunglasses living in her van. Regardless of her appearance, he knows it's her. Kamelia, the girl from his childhood. Memories come flooding back, and Haikal is determined to find out what led to Kamelia's mysterious disappearance.

Bill G. Yung, 2010-08 Written by a novice hunter, this book describes the pursuit of adventure that hunting provided. For the first 70 years of his life, it begins by describing how the hunting bug bit it, continues through the experiences the author enjoyed from hunting with a Red Ryder BB gun on the family Kansas farm, through hunting big game in various states in the US, many provinces in Canada, three countries in Africa, and in New Zealand. The author graduated from the BB gun and progressed through many of the rifle and shotgun bores up to and including the 458 Lott. In the hunts described in this book, it is more than just a book about hunting; in that it includes many pen and ink sketches by the author and a descriptive analysis of what was involved in the entire experience, each trip provided. It is written in a storytelling style, it defines the total experience of each trip, including all the travel adventure components of the story that defines what hunting is. To the author, it is all about hunting. Hunting is a vehicle for experiencing adventure in many parts of the world and provided this hunter with memories that could not have been duplicated by just travel alone. This book provides insight into the animals hunted, the geographical variations of the countries hunted, the culture, and the personalities of the people encountered. And the wonderful personal friendships that hunting has afforded this Half Fast Hunter.

**The Runaway Heart**, 19?? Catalog of Copyright Entries Library of Congress. Copyright Office, 1959 A Dictionary of Literary Pseudonyms in the English Language T.J. Carty, 2015-12-03 In its first edition, Dictionary of Literary Pseudonyms established itself as a comprehensive dictionary of pseudonyms used by literary writers in English from the 16th century to the present day. This new Second Edition increases coverage by 35%. There are two sequences: Part I, which now includes more than 17,000 entries, is an alphabetical list of pseudonyms followed by the writer's real name; Part II is an alphabetical list of writers cited in Part I, more than 10,000 writers included, providing brief biographical details followed by pseudonyms used by the writer and titles published under those pseudonyms. Dictionary of Literary Pseudonyms has now become a standard reference work on the subject for teachers, student, and public high school and college universal librarians. The Second Edition will, we believe, consolidate that reputation.
