providing broad based social programs or are they best at supporting their own members How many local congregations have formal programs to assist needy families How much money do such programs represent How many specialized faith based service agencies are there and which are most effective Are religious organizations promoting trust love and compassion The answers that emerge demonstrate that American religion is helping needy families and that it is more broadly fostering civil society Yet religion alone cannot save America from the broad problems it faces in providing social services to those who need them most Elegantly written *Saving America* represents an authoritative and evenhanded benchmark of information for the current and the coming debate     **Reformed Church Messenger** ,1909     *Saving Souls, Serving Society* Heidi Rolland Unruh,Ronald J.
