Reading with Meaning Debbie Miller, 2023-10-10 Ten years since her first edition author Debbie Miller returns with Reading with Meaning Second Edition Teaching Comprehension in the Primary Grades to share her new thinking about reading comprehension strategy instruction the gradual release of responsibility instructional model and planning for student engagement and independence Reading with Meaning Second Edition delves into strategy and how intentional teaching and guided practice can provide each child a full year of growth during their classroom year New in this edition are lesson planning documents for each chapter that include guiding questions learning targets and summative

assessments as well as new book title recommendations and updated FAQs from the first edition. Also included are strategic lessons for inferring, determining the importance in each text, and synthesizing information. Teachers can help students make their thinking visible through oral, written, artistic, and dramatic responses and provide examples on how to connect what they read to their own lives. In this book, Miller reflects on her professional experiences and judgment along with current research in the field. She provides a guide for any teacher hoping to build student relationships and develop lifelong independent learners.
