Nelson, Denise Buiten, Jodi Death, 2025-10-10 This edited book examines the cultural construction of the public child and its impact on children's rights in Australia. The public child refers to a real child or groups of children whose lives have attracted media attention either because concerns have been raised about their safety or because they have been identified as threats to others. Positioned at the intersection of media politics and policymaking, this collection explores how in an increasingly mediatized political landscape discursive constructions of the public child shape state responses exerting a logic of control and silencing. Amid international debates on child social media bans and increasingly punitive justice systems, this timely work will appeal to scholars of family and youth sociology, criminology, media and gender studies, and education, as well as journalists and legal practitioners specializing in children's rights. The book includes five sections: Media and Regulatory Theatre, Domestic Family and Sexual Violence, Justice Systems, Sex and Gender, and Speaking Out and Listening In. The final section focuses on how children exercise agency and express their perspectives and how adults can serve as allies to them.

**Beyond the Badge: Nox** Jeanne St. James, 2024-07-26 When two broken halves come together to forge one unbreakable whole, Officer Bradley Lennox aka Nox has been living in the shadows of his own grief since the unexpected loss of his wife. Just when he was finally on the road to recovery, they found Sadie in a motel in Ohio, causing his world to spiral back into darkness. Concerned for their fellow Blue Avenger, his MC brothers issue an ultimatum: accept help or risk losing his job as an officer with the Shadow Valley PD and his spot on the Tri State Federal Drug Task Force. They hope it'll compel Nox to free himself of the heartbreak consuming him. Then Aaliyah, a widow and single mother, takes over running the grief group he's forced to attend. Knowing the pain of loss all too well, her determination to help Nox reignites the hope of him getting better. But it also sparks a connection he didn't see coming. However, their journey is far from easy. Nox is resistant to fully embracing a new beginning despite Aaliyah's unwavering perseverance. To make matters more complicated, her father is the sergeant at arms for the Dark Knights MC and harbors a deep-seated hatred for law enforcement. While Nox struggles to forge a brighter future for himself for the task force, the stage is set for a violent showdown. A war erupts between two ruthless factions: the Deadly Demons MC and La Cosa Nostra, posing a threat to Nox's fragile peace. Especially when someone he cares about gets caught in the crossfire. Note: **Beyond the Badge: Nox** is the sixth book in the Blue Avengers MC series. It's HIGHLY recommended to read this six-book action-adventure series in order due to the continuing story arcs and subplots. However, each book focuses on a different couple who gets their HEA. This series has no cheating or relationship cliffhangers.

Tineya has experienced a lot of trauma in her short life. Losing both parents has left a broken, weak soul. As if that's not enough, she's left with physical wounds that no woman should have to deal with. More than just bad memories, Tineya's wound runs deeper. What would you do if everybody could see the remnants of one unforgettable night that changed your life? Follow Tineya as she hunts for acceptance from others but most of all from herself. Some people are rooting for her.

to succeed while a few selfishly want her to stay in a sunken place In walks Marsell a self centered hustler He s the type of slick talking man who can sell water to a fish and dope to the Pope Marsell can convince any woman to jump as high as he needs her to He typically wants the type of woman who looks like a centerfold damn near perfect until he is humbled What happens when Marsell and Tineya cross paths Will Tineya stay meek and weak or will she finally learn that those with the deepest wounds are usually the strongest soldiers
