Prakken, Jerome C. Patterson, 1977 **Chase the Devil** Tony Adame, 2025-05-13 A police detective and an investigative journalist team up in secret to try and solve a series of rapes and murders from the early 1980s on Florida's Gulf Coast hoping to crack the cold case that has passed through generations of detectives On December 31 1984 Tonya Ethridge McKinley was out with friends celebrating New Year's Eve and the start of her new life in Pensacola Florida Finally free from an abusive relationship she was just weeks from her 24th birthday and moving toward becoming the person she'd always wanted to be When Tonya's body was found dumped on the side of the road half naked raped beaten and choked to death in the early morning hours of New Year's Day it was the first of two unsolved rapes and murders in the same area in the first two months of the year Chase the Devil takes readers back to that rainy December night in 1984 and barrels forward like a freight train moving across the decades and diving into the details of the crime and inside the lives of the victims and their families the suspects and the law enforcement officers who kept the case alive With original reporting and unprecedented access to investigators case files and FBI reports kept hidden for decades investigative journalist Tony Adame immerses readers in the investigation and tries to answer the questions of what really happened to Tonya that night and who took her life **Bulletin - California Council on Criminal Justice** California Council on Criminal Justice, 1969 **Texas Rules of Evidence Manual - Ninth Edition** David A. Schlueter, Robert R. Barton, 2012-07-01 Texas Rules of Evidence Manual Ninth Edition provides an updated comprehensive reference to Texas evidence for both civil and criminal cases The book provides a rule by rule analysis of each Rule of Evidence This sturdy hard cover text is designed for heavy use in the courtroom This text helps those who are bound to use the Texas Rules of Evidence whether it is the bench or the bar or those studying evidence While the text contains some academic discussions the book is designed to explain what a particular Rule requires or prohibits to indicate what the appellate courts have said about the Rules and to offer some practical pointers on using the Rules The book itself has been designed to make it as useful as possible to the harried judge counsel and student who must quickly find the law Following each Rule is an editorial commentary on the Rule explaining how the Rule works what the Texas courts have said about the Rule and how it compares with the Federal Rule because Texas courts often review federal precedent where they find it helpful in applying a Texas Rule When appropriate practical pointers are also provided on how to use the Rule Where the Rules apply in the same fashion for both civil and criminal cases those points are discussed together On the other hand where they diverge the authors have used separate headings for Civil and Criminal when that seems appropriate One of the

objectives of the Editorial Analysis in this text is to deal with the interrelationships of the various Rules The authors have noted those areas where the Rules differ from pre Rules case law or statutory provisions Some of the Rules changed the prior Texas evidence law and although many of the Texas Rules agree with the Federal Rules a number differ significantly
