My Journey from the Banat to Canada Nick Tullius, 2011-08-19 Nick Tullius grew up in the 1940s and 1950s in the Banat region of Romania. He witnessed disenfranchisement, expropriation and deportation of his compatriots, events that have been largely ignored by historiography. After his US-born mother dies doing forced labour in the USSR and his father remains in the West, he finds his way with the support of a grandmother, completing high school and University in Temesvár, Timișoara. In the second part of My Journey from the Banat to Canada, author Nick Tullius describes his emigration to Canada and his adaptation to a new social order, languages and customs. He finds a rewarding engineering career with the research and development subsidiary of a large telecommunications company while growing with his family of four. He becomes involved in the introduction of semiconductor devices and software into telecommunication and the development of Canadian, American and international standards in his field. He writes technical papers and presents them at international conferences. After his retirement in 2000, Nick Tullius concentrates on family research and making the history and culture of their ancestors accessible to English-speaking descendants of the Danube Swabians. Journey through Eternity Mario Mantese, 2022-02-14 In Shanghai, the members of a global lodge come together and conduct a secret Taoist ritual. In ancient Egypt, a high ambassador is selected by the Pharaoh for an important political mission. He rushes off to the temple complex at Luxor to confront conspirators amongst the priests but is assassinated. In London, Paul Mongrave enjoys the seemingly quiet life of a private scholar. When he begins to have strong feelings for the daughter of a Russian aristocrat, the peace of his own soul is at stake. What does one scene have to do with the other? Step by step, Mario Mantese links these seemingly separate lives into one narrative which effortlessly encompasses different eras and diverse worlds. Through the reader's interaction of these unique characters, it becomes very clear how the souls of human beings advance through various stages of incarnation until they ultimately gaze into the mirror and find their true purpose. The Swiss author and wisdom teacher provides a gripping story written with great spiritual depth and timeless vision.

Embracing Also the Subject of the Fulfilment of Prophecy, as Exhibited** George Bush, 1854 The Aesthetics of Failure Zander Brietzke, 2001-03-15 Critic Clive Barnes once called Eugene O'Neill the world's worst great playwright and Brooks Atkinson called him a tragic dramatist with a great knack for old-fashioned melodrama. These descriptions of the man can also be used to describe his work. Despite the fact that O'Neill is the only American playwright to win the Nobel Prize for Literature and his last works are some of America's finest, most of his published works are not good. This work closely examines how O'Neill's failures as a playwright are inspiring and how his disappointments are reflections of his own theory that tragedy requires failure, a theory that is evident in his work. Conflicts in O'Neill's plays are studied at the structural level with attention paid to genre, language, or dialogue, characters, space, and time elements, and action. Included is information about O'Neill's life and a chronological listing of all of his 50 plays with basic details such as production history, principal characters, dramatic action, and a brief commentary. *The Collected Works of H.
