

General Information About Holistically Rated TELPAS Assessments

- Your students' ratings will be reviewed by the campus principal.
- You will gather writing samples and create student writing collections.
- If you are a rater of students enrolled in grades 2–12, the writing collections will be verified by another trained individual to ensure that they contain the appropriate types and number of writing samples. - Your campus coordinator will ensure that the writing collections are kept in the students' permanent record files for two years from the time of rating.
- School districts use TELPAS assessment results to plan for instruction and to meet state and federal assessment requirements.
