Fonneland,Tiina Äikäs,2021-02-05 *S mi Religion Religious Identities Practices and Dynamics* explores expressions of S mi religion in contemporary cultures the role it plays in identity politics and heritagization processes and the ways the past and present are entangled In recent years attitudes towards S mi religion

have changed both within religious cultural political and educational contexts as a consequence of what can be called the Indigenous turn Contemporary indigenous religion is approached as a something that adds value by a range of diverse actors and for a variety of reasons In this Special Issue we take account of emic categories and connections focusing on which notions of S mi religion are used today by religious entrepreneurs and others who share and promote these types of spiritual beliefs and how S mi religion is taking shape on a plenitude of arenas in contemporary society Oxford Dictionary of Quotations by Subject Susan Ratcliffe,2010-03-11 Over 7 000 quotations arranged by subject for easy look up Nearly 600 subjects covered from Memory and Humour to Television and Weddings Under Glass Jen Hirt,2010 According to Chrissie Hynde of the Pretenders when she went back to Ohio her city was gone For Jen Hirt her Strongsville Ohio greenhouses were gone Her ancestry bloodlines memories and her complete identity were replaced by a large chain pharmacy store Four generations taken away by the wrecking ball fourteen greenhouses dismantled and shattered Under Glass traces the rise and fall of the family business and the family itself Hirt is the girl with a thousand Christmas trees growing up surrounded by life and vitality She is the greenhouse filled with hope and growth Then the rubble sets in Financial pressures a brutal divorce and the demolition of her past literally The story is Hirt s memoir told with poignancy and honesty as honest as the greenhouse tattoo she has on her arm For Hirt the greenhouse metaphor in its richness is the soul of America and her life

*The Cathedral of the World* Forrest Church,2010-10-12 Described by Cornel West as a towering public intellectual and the leading universalist philosopher of his generation Forrest Church was one of the preeminent liberal theologians of our time His final gift The Cathedral of the World draws from the entire span of Church s life s work to leave behind a clear statement of his universalist theology and liberal faith Giving new voice to the power of liberal religion Church invites all seekers to enter the Cathedral of the World home to many windows but only one Light Global Impact of the Ukraine Conflict Shuichi Furuya,Hitomi Takemura,Kuniko Ozaki,2023-11-30 The invasion of Ukraine by the Russian Federation and the subsequent military campaigns entail several classical aspects of armed conflict First it is a type of international armed conflict between two sovereign states that had been prevalent until the middle of the twentieth century but not in the last several decades It is also a direct intervention by a superpower into a neighboring state with the former s aspiration of territorial expansion This action evokes a scheme of war reminiscent of the nineteenth or early twentieth century At the same time however the invasion is generating in the international community a sense of new phenomena leading to a new era that may be different from the past three decades following the end of the Cold War In fact the hostilities between the Russian Federation and Ukraine as well as reactions by other states and international organizations have raised legal and political issues that require scholars to reexamine existing frameworks of the international community and individual rules of international law The process of applying international law to states is a dynamic one Rules of international law may and should regulate the behavior of states and provide standards to decide whether a particular act by a state is permissible At

the same time however states may change or replace existing rules and a significant event or series of such events may be a strong motivator to create a new legal framework In this regard rules of international law and the conduct of states are in a dialectical relationship International law can both shape a mode of conduct and be shaped by that conduct being its creator as well as its creation The Ukraine conflict is not an exception We can discuss the conduct of the Russian Federation Ukraine other states and international organizations and evaluate their legality and legitimacy from the viewpoint of existing rules However we may also reevaluate the current rules of international law through the lens of the Ukraine conflict and discuss possible changes to those rules in the future Inspired by the latter aspect of the international legal process the present book aims to examine the impact of the Ukraine conflict whether salient or potential on various rules of international law Most of the authors are from Japan and other Asian countries that are geographically remote from the site of the conflict It is often true however and particularly in this case that those keeping an appropriate distance can look at relevant issues in a broader view and from a more objective perspective To what extent and in what manner may the Ukraine conflict have an impact on the legal framework of the international community and the rules of international law This book is the first to answer those questions in a comprehensive manner

An Unlikely Angel Ernie McBroom Jr.,2015-02-05 Juel Jones could play a guitar the first time she picked one up but nobody ever knew A beautiful girl from a troubled family she gets lost in the world at an early age and sells herself for money Living in a dingy motel barely nineteen years old she writes the first two verses of a song that will one day be heard by the world Her audience a stray yellow cat Working in a massage parlor a thousand miles from home Juel sets out hitchhiking in a fit of anger when along comes Sammy Reed Twenty one the day the story begins Sammy is drifting through life in the aftermath of an unthinkable family tragedy California bound from North Carolina in a windowless 69 Camaro Over the next six months and several thousand miles things happen in the lives of these two beautiful losers that cant be logically explained Things such as the song and its incredible mysterious journey from the back of a brown paper sack to a number one hit As the writer of this story I attempt to raise a number of interesting possibilities The characters I use and the things they do and say will offend some people I know In their defense Id simply say that I personally believe God meant everybody to matter Everybody
