Bringing Reading Research to Life Margaret G. McKeown, Linda Kucan, 2009-11-30 This book

brings together some of the world's foremost literacy scholars to discuss how research influences what teachers actually do in the classroom. Chapters describe the current state of knowledge about such key topics as decoding, vocabulary, comprehension, digital literacies, reading disabilities, and reading reform. At the same time, the authors offer a unique inside view of their own research careers, key personal and professional influences, how their research agendas took shape, and what they see as the most important questions currently facing the field. The book honors the contributions of Isabel Beck, who has achieved tremendous success in translating research into widely used instructional practices.

Culturally Responsive Literacy Instruction Robert Algozzine, Dorothy J. O'Shea, Festus E. Obiakor, 2009. Dispels the myths regarding culturally diverse learners and provides concrete strategies that any teacher can easily implement. The book contains current research from the most reputable sources in the field and is a must read for every teacher. Akina Luckett Canty, Special Education Teacher, Brighton Middle School, Birmingham, AL. This text addresses the literacy needs of learners who have been left behind. Ursula Thomas Fair, Assistant Professor of Early Childhood Education, University of West Georgia. Give students from culturally and linguistically diverse backgrounds the literacy skills to succeed. All students bring unique cultural and language experiences to their learning. Offering perspectives from experts in diversity and literacy, this clearly organized, comprehensive resource illustrates how teachers can improve reading achievement for students from diverse backgrounds by combining research-supported best practices with culturally responsive instruction. Culturally Responsive Literacy Instruction connects students' backgrounds, interests, and experiences to the standards-based curriculum. Teachers will find effective practices to help plan, implement, manage, and evaluate literacy instruction for students with culturally and linguistically diverse backgrounds. This book provides a range of interventions that support five critical areas of reading instruction: phonemic awareness, phonics, decoding, fluency, vocabulary, and comprehension. Learning materials that take advantage of multicultural literature themes and topics. Guidelines for helping students connect language and literacy tasks to their own cultural knowledge and experiences. Make a significant difference in all your students' reading success with effective culturally responsive teaching practices.
