| 12 inches                                                                                                                                                     | 12 inches                                                                                                                                                                                                                                       | 12 inches                                                                                                                                                                                                                                                                                                                                                                                                                                                      |           |           |           |        |        |        |        |  |  |
| 1 foot                                                                                                                                                        | 1 foot                                                                                                                                                                                                                                          | 1 foot                                                                                                                                                                                                                                                                                                                                                                                                                                                         |           |           |           |        |        |        |        |  |  |
| 1 yard                                                                                                                                                        |                                                                                                                                                                                                                                                 |                                                                                                                                                                                                                                                                                                                                                                                                                                                                |           |           |           |        |        |        |        |  |  |

REMEMBER: 1 foot = 12 inches  
 1 yard = 3 feet = 36 inches  
 1 mile = 1,760 yards = 5,280 feet

HOW TO CHANGE FROM ONE CUSTOMARY UNIT OF LENGTH TO ANOTHER:

|                                                                                                                                                                                                                                                                                                                                                                 |                                                                                                                                                                                                                                                                                                                                                                              |
|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <p>When converting from a <u>smaller</u> unit to a <u>larger</u> unit, you should <b>DIVIDE</b>.</p> <p>6 feet = _____ yards</p>  <p>You know <math>3 \text{ ft} = 1 \text{ yd}</math>. Divide <math>6 \div 3</math>.</p> <p>So, <math>6 \text{ ft} = 2 \text{ yd}</math>.</p> | <p>When converting from a <u>larger</u> unit to a <u>smaller</u> unit, you should <b>MULTIPLY</b>.</p> <p>2 feet = _____ inches</p>  <p>You know <math>1 \text{ ft} = 12 \text{ in}</math>. Multiply <math>2 \times 12</math>.</p> <p>So, <math>2 \text{ ft} = 24 \text{ in}</math>.</p> |
