Chase Nicole Edwards, 2023-06-27 Volume 1 What twenty four year old recent college graduate would sign up to uncover a secret kink club rumored to be hidden within the walls of a multi billion dollar conglomerate Me Why Well that's easy I've spent my entire life with my nose to the grindstone doing the right thing focusing on my future and now I'm bored which isn't a good thing when you have an insatiable curiosity I probably should've considered the type of bait needed for a fishing expedition of this magnitude when I applied for the job at Primal Instincts LLC looking to uncover the secret world that exists only on the whispers of those who've never so much as glimpsed the dark seductive inner workings because those who had wouldn't dare reveal anything Now that I'm through the door I've got my determination and single minded focus to keep me moving forward I will figure it out if for no other reason than to say I did Provided I don't get sidetracked by not one not two but three men who are ridiculously good at keeping secrets Volume 2 I am only one week into my new job at Primal Instincts LLC when I realize super sleuth is not something I will be adding to my resume anytime soon Although I'm still on my mission to uncover the truth about the secret kink club I suspect exists and is somehow tied to my employer I find myself with more pressing things to deal with than solving that mystery Between balancing the work assignment I've been given and the change in my current dating status the only time I have left is spent dealing with a dominating manipulative not to mention sexy man who has me in his crosshairs Unfortunately the aforementioned dominating man starts the dominoes falling when his manipulation puts me in a vulnerable position It's crazy what can happen in a week Volume 3 To say things have gotten complicated with the men in my life would be an understatement My mission to discover the secret kink club has been put on hold but not because I'm distracted by the three men plaguing my thoughts and dreams Not only because of them anyway

They are certainly responsible for keeping my attention away from my goals However my main concern is the man blackmailing me with a video I d prefer isn t seen by the public That man has given me an ultimatum and I have a decision to make an important one But for the moment Creed Hawk and Garrison are doing their best to keep my mind off my problem and they have a proposition for me One that will effectively shift my focus yet again Note from the author The Primal Instincts series was originally released in individual volumes Chase Capture and Claim are the combination of these volumes The stories are the same

Can Milly and AJ figure out what it means to be good parents when neither of them has a clue what they're doing? Will they give in to the attraction they've been battling since day one?
