1. **Savings** provides safe storage of funds for future use. Commonly referred to as time deposits, money in savings accounts and certificates of deposit are examples of savings plans.
2. **Payment** services allow you to transfer money to pay expenses and for other business activities. Checking accounts and other payment methods are generally called demand deposits.
3. **Borrowing** is used by most people at some time during their lives. Credit alternatives range from short-term accounts, such as credit cards and cash loans, to long-term borrowing, such as a home mortgage.
4. A **trust** is a legal agreement that provides for the management and control of assets by one party for the benefit of another. This type of arrangement is usually created through a commercial bank or a lawyer. Parents who want to set aside certain funds for their children's education may use a trust.

*Bank Account Coverage: The **FDIC** only protects \$250,000 for each bank account
