

BASKETBALL

PACKET # 4

INSTRUCTIONS

This Learning Packet has two parts: (1) text to read and (2) questions to answer.

The text describes a particular sport or physical activity, and relates its history, rules, playing techniques, scoring, notes and news.

The Response Forms (questions and puzzles) check your understanding and appreciation of the sport or physical activity.

INTRODUCTION

Basketball is an extremely popular sport. More people watch basketball than any other sport in the United States. It is played in driveways, parking lots, back yards, streets, high schools, colleges and professional arenas.

Basketball's popularity is not confined to the United States. The game is also enjoyed internationally, with rules available in thirty languages. Basketball is included among the Olympic sports.

HISTORY OF THE GAME

In 1891, a physical education instructor at a YMCA Training School in Massachusetts invented basketball as an indoor activity for boys. The game began with two peach baskets tied to balconies and a soccer ball used to shoot baskets. Two years later, two college teams began to play basketball. The game's popularity has increased continuously ever since.

The National Basketball Association (NBA) is the largest professional sports league. It was created when the Basketball Association of America and the National Basketball League merged in 1949. The majority of professional players are recruited by the NBA from college ranks.
