Hewitt, John A. Suchocki, Leslie A. Hewitt, 2011-08-26. **ALERT** Before you purchase, check with your instructor or review your course syllabus to ensure that you select the correct ISBN. Several versions of Pearson's MyLab check with the seller before completing your purchase. Used or rental books: If you rent or purchase a used book with an access code, the access code may have been redeemed previously and you may have to purchase a new access code. Access codes: Access codes that are purchased from sellers other than Pearson carry a higher risk of being either the wrong ISBN or a previously redeemed code. Check with the seller prior to purchase. Used by over 1.5 million science students, the Mastering platform is the most effective and widely used online tutorial, homework, and assessment system for the sciences. The eText pages look exactly like the printed text and include powerful interactive and customization functions. This is the product access code card for MasteringPhysics with Pearson eText and does not include the actual bound book. **Conceptual Physical Science Fifth Edition**, the bestselling physical science book, is now available with MasteringPhysics, the most advanced physics homework and tutorial system available. This engaging book takes learning physical science to a new level by combining Hewitt's leading conceptual approach with a friendly writing style, strong integration of the sciences, more quantitative coverage, and a wealth of media resources to help professors in class and students out of class.
