## **Romantic Comedy List:**

**Film, Comedy, and Disability** Alison Wilde, 2018-09-09 Comedy and humour have frequently played a key role in disabled people's lives for better or for worse. Comedy has also played a crucial part in constructing cultural representations of disability and impairments, contributing to the formation and maintenance of cultural attitudes towards disabled people and potentially shaping disabled people's images of themselves. As a complex and often polysemic form of communication, there is a need for greater understanding of the way we make meanings from comedy. This is the first book which explores the specific role of comedic film genres in representations of disability and impairment. Wilde argues that there is a need to explore different ways to synthesise Critical Disability Studies with Film Studies approaches and that a better understanding of genre conventions is necessary if we are to understand the conditions of possibility for new representational forms and challenges to ableism. After a discussion of the possibilities of a fusion between Disability Studies and Film Studies and a consideration of the relationships of comedy to disability, Wilde undertakes analysis of contemporary films from the romantic comedy, satire and gross-out genres. Analysis is focused upon the place of disabled and non-disabled people in particular films, considering visual, audio and narrative dimensions of representation and the ways they might shape the expectations of film audiences. This book is of particular value to those in Film and Media Studies and Critical Disability Studies, especially for those who are investigating more inclusive practices in cultural representation. , [The Insider's Guide to Independent Film Distribution](#) Stacey Parks, 2012-11-12 Innovation in technology means that almost anyone can make an independent film these days. Although this may be good news for aspiring filmmakers, it also means that the oversupply of independent films on the market has caused acquisition prices to dramatically decrease. *Duched Deleted: A Royal Romance* by Xavier Neal, 2017-06-25. Prince Kellan Kennington, Duke of Rockbridge, has an unusual date night with his American girlfriend Brie Sanders. This is a deleted date scene from my full-length novel *Duched*, which is the first book in the COMPLETED *Duched* trilogy. However, because I wanted this portion to be able to be read as a standalone, it has been edited to allow a reader unfamiliar with the series to enjoy it as such. This means if you've already read the series, some of the minor details will feel a bit repetitive to you. Please NOTE: This was previously published in the *Nuts About You* Anthology in 2017. If you read it there, it is indeed the same story, originally titled *Taco Tuesday*; only minor updates and changes have been made.
