Romeo Meanwhile back at the Capulet house Lord Capulet decides a wedding to Paris is just the thing to distract Juliet from her grief Oops After Juliet s awesome romantic wedding night she finds out that she s supposed to marry Paris in two days Even her nurse thinks she should marry Paris since Romeo is as good as dead to her Juliet runs over to Friar Laurence s where she has a weird kiss with Paris and then threatens to kill herself The Friar comes up with a plan that is 100% guaranteed to work and doesn t sound risky At All not giving her an herbal concoction that will make her appear to be dead for 42 hours Yes exactly 42 So she runs home agrees to marry Paris and takes the poison so she can be taken to the Capulet tomb where Romeo can find her and everyone can live happily ever after Sadly Romeo is a little out of the loop off in Mantua and the news of Juliet s death makes it to Romeo before word of the Friar s plan He buys some poison so he can go to Juliet s grave and kill himself which is obviously the mature response But first he murders Paris and then spends some time with Juliet s dead body He drinks the poison and dies just in time for Juliet to wake up and find him dead Argh missed connections The Friar who apparently shows up at some point tries to convince Juliet to run away but she refuses and kills herself with a dagger Just then literally everyone shows up to the tomb at the same time and finds the dead lovers Friar Laurence confesses everything and the two lords of the rival houses are moved by their dead children s love story and agree to end the feud

Romeo and Juliet (Annotated) Shakespeare William,2018-06-07 In Romeo and Juliet Shakespeare creates a world of violence and generational conflict in which two young people fall in love and die because of that love The story is rather extraordinary in that the normal problems faced by young lovers are here so very large It is not simply that the families of Romeo and Juliet disapprove of the lover s affection for each other rather the Montagues and the Capulets are on opposite sides in a blood feud and are trying to kill each other on the streets of Verona Every time a member of one of the two families dies in the fight his relatives demand the blood of his killer Because of the feud if Romeo is discovered with Juliet by her family he will be killed Once Romeo is banished the only way that Juliet can avoid being married to someone else is to take a potion that apparently kills her so that she is buried with the bodies of her slain relatives In this violent death filled world the movement of the story from love at first sight to the union of the lovers in death seems almost inevitable What is so striking about this play is that despite its extraordinary setting one perhaps reflecting Elizabethan attitudes about hot blooded Italians it has become the quintessential story of young love Because most young lovers feel that they have to overcome giant obstacles in order to be together because they feel that they would rather die than be kept apart and especially because the language Shakespeare gives his young lovers is so exquisite allowing them to say to each other just what we would all say to a lover if we only knew how it is easy to respond to this play as if it were about all young lovers rather than about a particular couple in a very unusual world When the play was rewritten in the eighteen century as *The History and Fall of Caius Marius* the violent setting became that of a particularly discordant period in classical Rome when Leonard Bernstein rewrote the play as *West Side Story* he chose the violent world of New York street gangs
