

What Scripps Study Space Is Right For You?

Sallie Tiernan Fieldhouse Pool

In sunny Southern California there is no shortage of Vitamin D, and the Sallie Tiernan Field House pool makes you feel like you're on vacation while annotating your readings for the week. The deck overlooking the pool has shaded tables, couches, and lawn chairs for working and relaxation, but some students instead elect to sit on the chairs poolside while completing a reading. If you work well with a little background noise, the Tiernan pool is a cheerful place to get some work done, with the added benefit of a little dip to cool off during your Pascadero time breaks.

Will your work require a table?

Yes

No

Denison Library Courtyard

The courtyard outside the Ella Strong Denison Library houses multiple tables for students to find a relatively sequestered work space. Though there is still some foot traffic from people entering the library, the courtyard remains tranquil. Potted citrus trees provide dappled sunlight and the iron arm chairs are more comfortable than they appear. The courtyard is a great spot to enjoy good weather while finding a refuge to be productive.

Do you prefer to work indoors or outdoors?

Start

Do you like to study in a bright and airy or dark and cozy room?

Denison Library

Denison Library is an obvious recommendation for a study space on campus. The tables nestled between the dark wood bookshelves, cozy sofas, and chairs often house students sitting cross-legged, pouring over readings or furiously typing up a paper. Though the Library has limited hours, Denison is best for when you need to feel inspired to focus and work, as it is a space that lends itself to academic productivity.

Do you prefer a bustling or quiet atmosphere?

The Motley Coffeehouse

The Motley Coffeehouse is a lively, well-loved locale to lock in and do some work. The baristas always serve up solid, if not entertaining, tunes in addition to the signature Motley brews and teas. The plush armchairs, rooey booths, and expansive tables provide an array of seating options, but be quick to grab a seat as the space fills up on most weekends.

Faculty Lounge

The faculty lounge, located on the second floor of the Humanities Building, is bright with natural light and lofty ceilings. It boasts multiple seating areas of comfortable couches and a large dining-esque table in the center. As the name suggests, the room is lined by faculty offices, so while students are welcome there to work or for office hours, it is important to be respectful and remain quiet.
