Scripture For Oceans Hillsong United:

Behind Closed Doors Jessica L. Peck, 2022-10-18 Believe it or not your kids WANT to talk to you about the social and health challenges they're facing. But are you ready? Jessica Peck, a pediatric nurse practitioner and mom of four, helps parents escape the secrecy and shame surrounding tough conversations and approach them from a Christian foundation. Today's teens are feeling more isolated, anxious, and depressed than previous generations and are struggling with more complex challenges. Jessica Peck, DNP, APRN, has spent countless hours advising and encouraging parents after talking to their teens behind closed doors. In the privacy of her exam room, she has treated teens with mental illnesses, responded to suicide attempts, treated self-harm wounds, as well as the emotional trauma of cyberbullying, sexting, pornography addictions, and numerous other issues. Through it all, Jessica found that teens really want to talk to their parents but don't know how. Jessica seeks to move the private conversations that happen in the clinic to relationship-building conversations at home. Behind Closed Doors is a guided lifeline to help you strengthen your connection with your kids. You will be able to get professional advice on tough teenage issues from a medical perspective, as well as the true stories of patients. Discover suggested settings, activities, and question prompts to give you conversation keys to unlock doors for open dialogue on tough issues with your teens. Share a time of reflection with devotional readings, relevant Bible verses, Scripture-based prayers, themed music playlists, and more. Prompts to write 12 Legacy Letters, a generational keepsake for teens. Covering topics including mental health, social media, suicide, sexting, gender identity, substance abuse, with a chapter focusing on vaping and more. Jessica Peck's book will encourage and strengthen all parents, married, single, or divorced, grandparents, stepparents, godparents, bonus parents, adopted parents, anyone who is serving a parental role in a teen's life. Christians are undertaking to mitigate our ecological crises and inspire the deep commitment to creation the gospel demands. **They Walked with God** Gena Duncan, 2016-03-09 What does it mean to walk with God? Enoch knew. In fact, he knew so well that one day he walked right into God's eternal home without dying. Now that was a walk. A life walk involves all the activities that intersect with our lives every day. If we walked like Enoch or like righteous Noah, what would those intersections of appointments, meetings, meals, sport games, telephone conversations, text messages, meetings with friends, and discussions

with family members look like All those giants of faith listed in Hebrews 11 walked with God and are examples to us of walking in faith with God Noah believed God would send a flood and built an ark even though he had never seen rain Joshua and the Israelites Deborah and Barak Jephthah and Gideon had faith for miraculous victories in battle Rahab choose to leave her life of prostitution married and became part of the lineage of Christ Samson asked for one last triumph of strength and fulfilled Gods plan for his life The author unmasks the lives of eight less known giants of faith and reveals their triumphant acts of faith and the head hanging weaker moments not mentioned in Hebrews 11 What can these unbelievable stories mean to us Open these pages and see **Bitty From Ashes** Donielle McCraw,2022-03-09 Put on your walking shoes because in this book you will walk through twenty two years You ll walk down long roads and see many things with the woman of a family Satan worked hard to destroy You ll see how Satan preys on individuals marriages and families and how he works extra hard on those he s afraid of You ll see spiritual growth in yourself while walking down roads of your own through journaling studying scripture and praying through your own struggles You ll see proof like never before of God s mighty hand at work chapter after chapter You ll see normal imperfect people make big mistakes on their road to redemption and likely be able to identify with them in some areas of your own life and marriage As you take this journey you ll walk the roads that led to the destruction of a marriage and see that it was too messy and impossible to fix Then you ll see how our God is the God of the impossible and how a woman who once took roads that separated her from God and her husband walked those same roads that led her back into God s perfect will The best part is you ll see Satan lose the war as you walk with her through fire and see Bitty rise from ashes God has never lost a battle and He never will Living Water Study Haley Smith,2020-12-15 Just as water is essential to the survival of our physical bodies the living water that only Jesus offers can fulfill the needs of our souls What happens when we allow this living water to fill us Living Water Study investigates various biblical passages that showcase the transformative power of the intersection of living water with your life Author Haley Smith begins with a focus on John 4 and continues with a consideration of scriptures from both the Old Testament and New Testament that refer to this living water Jesus speaks of Are you parched Maybe you are dealing with a circumstance that is taking every ounce of your strength and is depleting you of your living water Maybe you feel a void in your life that cannot be filled no matter how hard you try Maybe you are at a place in your life where you can t get enough of the Lord and you want the living water to pierce every part of your life No matter where you are at living water is made available to you Are you ready to be filled Come and drink from the well that will never run dry Uplifting and encouraging this Bible study explores the transformative power that comes when we allow the living water flowing from Jesus to enter our lives **Trust Without Borders** Pamela J. indeed essential part of creation At the same time it also speaks perceptively of the sea s vulnerability to damage and change The Bible s focus on the sea raises questions about economics and the interconnectedness of communities whilst further references to the sea raise questions about our human centredness and spirituality and about our fear of chaos and disaster In a unique collaborative project the oceanographer Meric Srokosz and the biblical scholar Rebecca Watson not only offer environmental insights on the sea but also connect the ocean with other key issues of broader concern spirituality economics chaos and our place in the world Each chapter concludes with ideas for discussion and reflection and for suggested actions in the light of the issues raised The book will present a fresh new lens through which to view the Bible and as such inform biblical scholars students and preachers alike
