Bible Study Guide - Gerald E. Greene, 2012-04-01 What scripture says about 28 central topics of Christianity

Handbook of Global Contemporary Christianity, 2016-04-26 The Handbook of Global Contemporary Christianity
Movements Institutions Allegiance traces how the largest religion in the world continues to be expressed in energetic global dynamic forms In contemporary times Christianity is increasingly exposed to divisions not only through its traditional channels Roman Catholic Protestant and the Orthodoxy nor conservative and liberal streams but numerous nuanced articulations This is reflected in the roles of clergy and lay people in organisational dynamics sources of allegiance and articulations of the faith movements of renewal and revivalism syncretic modes and broader relationships with wider cultural trajectories and changing social circumstances Collectively the contributors to this volume offer a comprehensive exploration of these themes The volume is a companion to the Handbook of Global Contemporary Christianity **The Gospel of**

Climate Skepticism Robin Globus Veldman, 2019-10-22 Why are white evangelicals the most skeptical major religious group in America regarding climate change Previous scholarship has pointed to cognitive factors such as conservative politics anti science attitudes aversion to big government and theology Drawing on qualitative fieldwork The Gospel of Climate Skepticism reveals the extent to which climate skepticism and anti environmentalism have in fact become embedded in the social world of many conservative evangelicals Rejecting the common assumption that evangelicals skepticism is simply a side effect of political or theological conservatism the book further shows that between 2006 and 2015 leaders and pundits associated with the Christian Right widely promoted skepticism as the biblical position on climate change The Gospel of Climate Skepticism offers a compelling portrait of how during a critical period of recent history political and religious interests intersected to prevent evangelicals from offering a unified voice in support of legislative action to address climate change **Adventist 28 Fundamental Beliefs Guide** McArthur Light, 2024-01-27 Discover into the 28 core beliefs of
