Instructional Leadership Efforts and Evidence-Based Practices to Improve Writing Instruction VanSlander, Jennifer, 2023-10-11 Writing is a critical skill for academic and professional success yet it is often neglected in schools According to achievement data only a quarter of students in the United States are

proficient writers indicating a significant need for improvement in writing instruction. One contributing factor to this problem is the lack of school and district leadership in writing instruction. School improvement efforts are often concentrated on reading and math, leaving writing instruction overlooked. Additionally, issues related to writer identities, self-efficacy in writing, and educator training can also impact the effectiveness of instructional leadership in this critical subject.

Instructional Leadership: Efforts and Evidence Based Practices to Improve Writing Instruction, edited by Jennifer VanSlander of Columbus State University, provides within this peer-reviewed book an exploration of evidence-based practices aimed at developing instructional leaders and enhancing student achievement in writing. It covers a broad range of topics related to writing instruction, including learning theories, conceptual models, and the latest empirical research associated with the supervision, organization, implementation, and monitoring of writing programs and instructional approaches. With its emphasis on writer identities, self-efficacy, equitable and inclusive practices, curriculum planning, and implementation, assessment, instructional frameworks, and managing instructional change, this book provides educators with a comprehensive guide to improving writing instruction. It is an essential resource for educators who seek to increase the effectiveness of instructional leadership and writing instruction at the classroom, school, or district level.

Handbook for Educating Students with Disabilities, by Jeffrey P. Bakken, 2025-09-16. This Handbook focuses on the implications and strategies for educating students with disabilities. Covering diverse populations from an academic, behavioral, and international standpoint, it is a comprehensive resource spanning elementary to high school. In the first section, the Handbook delves into students with learning disabilities, autism, and emotional/behavioral disorders. The second section deals with students that have intellectual disabilities or extensive support needs. The third section concentrates on students with sensory disabilities. The fourth section addresses disabled youth and ways of knowing how to inform strategies in special education. The fifth and final section explores how teachers, parents, and related personnel impact special education and services for these students. Extensive in its coverage of different disability areas, the content is both informative and innovative, offering invaluable insights. The Handbook draws from a mix of national and international perspectives, making it an indispensable guide for anyone engaged in the critical area of special education.
