Pearson Mastering Complete Training Guide:

Comprehensive Advisor Training and Development Karen L. Archambault, Rebecca L. Hapes, 2023-07-03 Co published with NACADA Advisors are focused on the success of their students They do the work of advising not for money or fame but because their meaningful work ensures that students reach their goals In order to do so those who serve students must have the knowledge skills abilities and encouragement to do their work This edited collection provides a practical framework for advisor training and professional development underpinned by the theoretical rationale for those frameworks This text is not focused on the what of advisor training but is instead intentionally focused on the how and the why encouraging those responsible for development and implementation to have a clear means by which to support advisor success Readers of this text will identify the centrality of the NACADA Core Values and Core Competencies to effective training and development but will also gain a practical suite of tools to be used in various higher educational contexts Including but not limited to initial program creation the authors consider complex concerns such as funding technology intercultural competence and self care among others as components of a comprehensive program to support advising professionals [A Concise Guide to Writing a Thesis or Dissertation](#) Halyna M.
