The words that make up a sentence can be grouped into different categories, which we call **parts of speech**. You will have studied parts of speech in Years 7 and 8. Let's see how much you remember about nouns and pronouns.

Nouns

Nouns are words used to name people, animals, places, things, feelings or ideas. You can easily tell if a word is a noun by putting *the* in front of it: *the book, the show*. You cannot, however, do this with people or places. Nouns can be grouped into four categories: common nouns, proper nouns, abstract nouns and collective nouns (see activity 1).

Pronouns

Pronouns are words used in place of nouns. There are many different types of pronouns and they can be best grouped into eight categories:

Pronoun type	Explanation	Example
Personal	Refers to you, me, other people and things	I/me, you, he/him, she/her, it, we/us, they/them
Possessive	Shows ownership but never uses an apostrophe	my/mine, your/yours, his, her/hers, its, our/ours, their/theirs
Reflexive	Refers back to the subject of the sentence	myself, yourself, himself, herself, itself, ourselves, yourselves, themselves
Reciprocal	Expresses a relation between people	each other, one another
Demonstrative	Refers to the noun it is replacing	this, that, these, those
Interrogative	Used for asking questions	who/whom/whose, which, what
Relative	Relates or connects words that follow it back to a particular word or phrase that precedes it	which, that, who, what, when, where, why
Indefinite	'Unlimited' pronouns that can refer to anybody or anything	all, any, each, either, few, many, neither, none, some, somebody, everybody, no one etc.

c Common noun	This type of noun names people, places, days, months and things. It always has a capital letter.	love, hunger, humour, safety
d Proper noun	This type of noun refers to a condition, quality or feeling, which cannot be seen, heard or touched.	audience, congregation, pack, gang, team
