

- A2.S.9** Differentiate between situations requiring permutations and those requiring combinations
A2.S.10 Calculate the number of possible permutations (${}_nP_r$) of n items taken r at a time
A2.S.11 Calculate the number of possible combinations (${}_nC_r$) of n items taken r at a time
A2.S.12 Use permutations, combinations, and the Fundamental Principle of Counting to determine the number of elements in a sample space and a specific subset (event)

Permutations

A **permutation** is an arrangement of items in a specific order (that is permutations are used when the order of selection is important).

The notation for a permutation of n items taken r at a time is ${}_nP_r$.

$${}_nP_r = n \cdot (n-1) \cdot (n-2) \cdot (n-3) \cdots (n-r+1)$$

Ex: In how many different orders can the 8 students competing in the 200-meter race cross the finish line?

Solution: Obviously, with a race, order matters.

We want to find the order of all 8 students finishes, so in our permutation, $n = 8$, $r = 8$.

$${}_8P_8 = 8 \cdot 7 \cdot 6 \cdot 5 \cdot 4 \cdot 3 \cdot 2 \cdot 1 = 40,320$$

You can also use $8!$ for this.

Ex: How many different ways can first, second, and third place be decided among the twelve horses running in the Kentucky Derby?

Solution: First place can be won by 12 horses, second by 11, and third by 10.

$${}_{12}P_3 = 12 \cdot 11 \cdot 10 = 1,320$$

1. A restaurant critic decides to sample 6 of the 9 desserts on the menu. In how many different orders can this be accomplished?

(1) 720

(3) 241,920

(2) 60,480

(4) 362,880

Ex: How many different arrangements of the letters in the word TOMORROW can be made?

Solution: The word has 8 letters, but there are multiple O's and R's. We must eliminate the extra arrangements of O's and

R's. To do this, we use the formula $\frac{n!}{r!}$ where n is the number of things taken n at a time where r are identical. In this

example there are 3 O's and 2 R's that are repeated, therefore we must divide by both $3!$ and $2!$.

$$\frac{8!}{2!3!} = \frac{8 \cdot 7 \cdot 6 \cdot 5 \cdot 4 \cdot 3 \cdot 2 \cdot 1}{3 \cdot 2 \cdot 1 \cdot 2 \cdot 1} = 3,360$$

2. How many different 5-letter arrangements can be made from the letters of the word TOOTH?

(1) 12

(3) 30

(2) 24

(4) 60

Ex: Given the set of numbers {1, 4, 5, 7, 8}, if each digit can be used only once, how many different

a. four-digit numbers can be formed

{120}

b. four-digit odd numbers can be formed

____ - ____ - ____ - ____

{72}

c. three-digit numbers larger than 700 can be formed

____ - ____ - ____

{24}

Pearson Algebra 2 Permutations Worksheet 11 Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Pearson Algebra 2 Permutations Worksheet 11 PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and

pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Pearson Algebra 2 Permutations Worksheet 11 PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Pearson Algebra 2 Permutations Worksheet 11 free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Pearson Algebra 2 Permutations Worksheet 11 Books

1. Where can I buy Pearson Algebra 2 Permutations Worksheet 11 books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Pearson Algebra 2 Permutations Worksheet 11 book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
4. How do I take care of Pearson Algebra 2 Permutations Worksheet 11 books? Storage: Keep them away from direct sunlight and in a dry environment. Handling: Avoid folding pages, use bookmarks, and handle them with clean hands. Cleaning: Gently dust the covers and pages occasionally.
5. Can I borrow books without buying them? Public Libraries: Local libraries offer a wide range of books for borrowing. Book Swaps: Community book exchanges or online platforms where people exchange books.

6. How can I track my reading progress or manage my book collection? Book Tracking Apps: Goodreads, LibraryThing, and Book Catalogue are popular apps for tracking your reading progress and managing book collections. Spreadsheets: You can create your own spreadsheet to track books read, ratings, and other details.
7. What are Pearson Algebra 2 Permutations Worksheet 11 audiobooks, and where can I find them? Audiobooks: Audio recordings of books, perfect for listening while commuting or multitasking. Platforms: Audible, LibriVox, and Google Play Books offer a wide selection of audiobooks.
8. How do I support authors or the book industry? Buy Books: Purchase books from authors or independent bookstores. Reviews: Leave reviews on platforms like Goodreads or Amazon. Promotion: Share your favorite books on social media or recommend them to friends.
9. Are there book clubs or reading communities I can join? Local Clubs: Check for local book clubs in libraries or community centers. Online Communities: Platforms like Goodreads have virtual book clubs and discussion groups.
10. Can I read Pearson Algebra 2 Permutations Worksheet 11 books for free? Public Domain Books: Many classic books are available for free as they're in the public domain. Free E-books: Some websites offer free e-books legally, like Project Gutenberg or Open Library.
