Tap into a Wealth of Energy and Abundance with Feng Shui. Create profoundly comforting spaces in your home or workplace that reflect your authentic self and support your goals. Through practical advice and real life examples from more than thirty years of interior design experience, Julie Ann Segal teaches you how to reimagine your surroundings with loving intention. She combines spirituality, energy work, aesthetics, and personal connection, offering detailed guidance on room by room choices and big picture concepts such as the interplay between your dreams and your removing the mystery around Feng Shui. This book reveals new opportunities in life's changes and helps you design a better future. Includes a foreword by Feng Shui master Carole Hyder. *Viable Utopian Ideas* Art Shostak, 2015-06-11. Utopias, whether philosophical, literary, or actual experiments, are attempts to solve all social problems. In the wake of the attack on the World Trade Center, unfolding corporate scandals, and other devastating shocks, it is natural to search for practical lessons in utopian literature. In this collection, noted sociologists renew the call to develop an altruistic social order. They address a wide variety of topics as they look for viable utopian ideas that can be applied to today's society. Written in an engaging, jargon-free style and directed to introductory sociology students as well as anyone concerned with social problems, the book provides both visionary ideals and insights for pragmatic decision making as we venture into an uncertain future.

*We Are Becoming* Leah Light, 2007-05-11. If you have ever loved and lost and loved again, coped with an impossible family member, juggled marriage, children, career, and a mortgage while somehow trying to find time for yourself, been embroiled in a lawsuit in which only the lawyers won, battled the bulge, and/or struggled with body image, suffered the tragic loss of a loved one, or become one of the sandwich generation raising kids while caring for older parents, this is a book you will want to read. *We Are Becoming* is the story of an ordinary woman who found she possessed extraordinary abilities. Her journey encompasses the common milestones that many women experience. However, her story is viewed through a third eye lens as an intuitive who learns to own and develop her healing gifts. This account of one woman's spiritual quest is amusing, poignant, and at the same time illuminating. May it empower you to discover your own gifts and ultimately to embrace the shining spirit that inhabits us all. *Becoming an Enlightened Consultant* Tom Hilditch, 2022-03-30. In his successful forty-year career in the consulting industry, Tom Hilditch never found much time for self-reflection. But all that changed when a frightening medical diagnosis forced him into a prolonged period of quiet time which coincided with the COVID pandemic and an era of massive social upheaval. When Tom received this precious gift of time to reflect, he experienced a personal transformation.

that showed him the need to clearly observe and understand himself and others better *Becoming an Enlightened Consultant* showcases Tom's individual awakening and through this personal lens it reflects a transformation underway in the consulting industry This book is geared toward consultants in different stages of their careers those just beginning those who want to improve how they mindfully move through their careers those looking to find and implement an effective exit strategy and all the regulators clients and buyers and sellers of firms Part One explains the basics of the consulting industry and speaks to the role of individual and collective self awareness in a firm and how they determine success This section provides important insights and predictions on leading industry trends and emerging markets It helps each reader understand how to apply their own exploration into self awareness in a way that will transform their own and their company's performance Part Two provides more practical nuts and bolts information about the consulting industry today types of consulting firms and projects and the range of clients in the consulting market Offering a transdisciplinary approach that integrates ecosystems it explores how human and cultural health is essential to our ability to improve consulting outcomes and to inspire and lead team members and firms to work intelligently and respectfully with their clients The leading edge isn't a crowded space but it can be tremendously rewarding

New Age Religion and Western Culture Wouter J. Hanegraaff, 2018-09-24 Recent years have seen a spectacular rise of the New Age movement and an ever increasing interest in its beliefs and manifestations This fascinating work presents the first ever comprehensive analysis of New Age Religion and its historical backgrounds thus providing the reader with a means of orientation in the bewildering variety of the movement Making extensive use of primary sources the author thematically analyses New Age beliefs from the perspective of the study of religions While looking at the historical backgrounds of the movement he convincingly argues that its foundations were laid by so called western esoteric traditions during the Renaissance Hanegraaff finally shows how the modern New Age movement emerged from the increasing secularization of those esoteric traditions during the 19th century This ground breaking publication is compulsive reading for all those involved or interested in the New Age movement

*Creative Leadership* Rama Gheerawo, 2025-04-17 The old top down approach to leadership doesn't work any more What we need is a more flexible creative approach one that empowers people to do their best work rather than tells them to do so In *Creative Leadership* Rama Gheerawo applies the mind of a design expert to the twenty first century organisation In particular his book shows how success in the future will increasingly be dependent on a mastery of three basic principles creativity clarity and empathy Drawing on his own experience in leading over 100 design projects with government business and the third sector it sets out a blueprint for engagement and success that applies to everything from small enterprises to large multinationals This book is essential for anyone looking for more empathetic creative and resilient forms of leadership

Transitions in Consciousness from an African American Perspective Carroy U. Ferguson, 2004 In this book Carroy Ferguson presents a unique glimpse into the transitional stages in consciousness that many African Americans experience as

they explore the essence of being a Black person in U S society and the world Using a model of six transitional stages in consciousness original essays and discourses on the symbolism of various historical events Ferguson engages readers in an intriguing reflective process to give them a better understanding of how transitions in consciousness\_from an African American perspective\_are largely shaped and greatly influenced by the psychology of the times The essays therefore represent the various dynamics at play as many African Americans engage the contents of their consciousness and learn to explore and transcend various societal challenges To assist readers in engaging their personal self reflective processes Ferguson provides creative exercises and a comprehensive timeline of African American life
