Armies of Pestilence R. S. York Notes for AQA GCSE (9-1) Rapid Revision: Romeo & Juliet eBook Edition Jo Heathcote, 2019-04-06 York Notes for AQA GCSE 9 1 Rapid Revision Romeo and Juliet

Disseminating Shakespeare in the Nordic Countries Nely Keinänen, Per Sivefors, 2022-01-27 Charting the early dissemination of Shakespeare in the Nordic countries in the 19th century this opens up an area of global Shakespeare studies that has received little attention to date With case studies exploring the earliest translations of Hamlet into Danish the first translation of Macbeth and the differing translations of Hamlet into Swedish adaptations into Finnish Kierkegaard s re

working of King Lear and the reception of the African American actor Ira Aldridge's performances in Stockholm as Othello and Shylock it will appeal to all those interested in the reception of Shakespeare and its relationship to the political and social conditions. The volume intervenes in the current discussion of global Shakespeare and more recent concepts like rhizome which challenge the notion of an Anglocentric model of centre versus periphery. It offers a new assessment of these notions revealing how the dissemination of Shakespeare is determined by a series of local and frequently interlocking centres and peripheries such as the Finnish relation to Russia or the Norwegian relation with Sweden rather than a matter of influence from the English Cultural Sphere.

About the Novel William Shakespeare's timeless tragic tale of two doomed young lovers caught between feuding families. The two young people fall in love and are secretly married. When Romeo kills Juliet's kinsmen in a duel, he is banished and forced to live in exile. Distraught, Juliet formulates a plan to bring Romeo back by drinking a substance that renders her into a death-like state for several hours. Her family, assuming she is dead, lays Juliet to rest in the family vault. Romeo, also believing Juliet is dead, drinks poison and dies. Juliet recovers, sees Romeo dead beside her, and stabs herself to death. Both the Capulet and Montague families arrive at the tomb and are devastated; however, as a result of the tragedy, they reconcile.
