Followers of Jesus often have this question looming over their mind and heart but Pastor Chuck Davis provides clarifying answers and guidance in his book Authority Encounter through biblical verses that will help readers understand their authority and deepen their understanding of the kingdom of God We live in a world rooted in power and followers of Christ are challenged daily by the powers that seek to interrupt or trample their success While followers are empowered through the Holy Spirit this power is only operational as they function out of their God given authority and so everything they need is

Abide in Me Chris Slaughter, 2014-10-17 In the midst of tough times why do lifelong Christians flee from God while non-believers run towards Him When those seeking God for the first time step into a church will they find others who suffer question and doubt or will they be met by a congregation of perfect Christians In a collection of thoughts captured after his six year old daughters affliction with two serious diseases over the span of three years *Abide in Me* follows a less than perfect struggle by a less than perfect believer There are periods of doubt moments of rage and the nature of the God he thought he knew is called into question In the end will he reject his faith due to his little girls suffering or will he heed God's call when He says *Abide in Me*

The Bold Christian Chuck Davis, 2016-01-25 Opposition is inevitable in any worthwhile pursuit Jesus promised challenges in the faith journey In the world you will have tribulation But take heart I have overcome the world John 16:33 There is some reflex in all of us upon hearing these words from Jesus he may have overcome the world but what about me Davis presents the case that one key aspect of being an overcomer for the Christ follower is the notion of spiritual authority Living in a world that is rooted in power Christ followers are challenged daily by powers that seek to interrupt or trample their success in the journey through Christ As believers everything they need is at their disposal however they must actively appropriate their authority in attitude and action Davis provides a biblical theology of authority and real life examples of how he and others have embraced their spiritual authority to advance the kingdom of God in this manual for overcoming spiritual opposition in *The Bold Christian*
