Wilson, Heather Doherty, 2015-09-20 This box set contains Books 1-3 in the Dix Dodd Mystery Series. They include *The Case of the Flashing Fashion Queen*. Tired of getting no respect at the big PI firm where she's worked for years, Dix Dodd has hung out her own shingle at the ripe age of 40. There are plenty of cheating husbands to go around, and Dix has a knack for busting them. Problem is, it doesn't always pay so well. Conscious that the guys back at the old firm are laying bets about how soon she'll come crawling back, she figures she's got six months to make a go of it. The going gets even tougher when she hires Dylan Foreman. But when he told her about getting fired from his law firm and disbarred for putting common decency before the firm's interests, she hired him on the spot. In addition to being smart, he's gorgeous enough to remind her she's a woman. And at 28, young enough to make her feel like a total cougar. Things start looking up when Dix gets hired by millionaire businessman Ned Weatherby's wife, Jennifer Weatherby, to tail Ned 24/7 for a week for a cool ten grand. Easy peasy, right? Wrong. The job lands Dix in the middle of a murder investigation with her as the prime suspect and her arch enemy, Detective Richard Head, aka Dickhead, one of the cheating husbands she'd nailed gunning for her. Dix will need all her ingenuity, as well as the help of Dylan and her oddball cast of supporters, to extricate herself from this one. *Family Jewels*. Dix Dodd rides again. This time to rescue her mother. A resident of a Florida retirement community, Katt Dodd is a person of interest in not only a rash of jewel thefts but in the disappearance of her boyfriend, Frankie Morell. Dix, the handsome as sin Dylan, and the irrepressible, okay-rude Mrs. P. head to Florida to solve the case of the Family Jewels before Dix's mother gets railroaded. Of course, hilarious hijinks ensue when Dix goes into the Wildoh Retirement Complex. Motto: We provide the Wild; you supply the Oh. Undercover as Katt's erotica-writing daughter, multiply the fun when Dylan gets himself hired as the Wildoh's newest employee, a slightly dim-witted security cum maintenance man. *Death by Cuddle Club*. Vindication is Dix's when her nemesis, Detective Richard Head, aka Dickhead, shows up at her door asking for her help on a delicate matter. Delicate because he can't turn to his own PD without admitting he's a member of a newly opened Cuddle Club. There have been a couple of deaths of Club members, ostensibly of natural causes, but Detective Head wants to take a closer look. The task for Dix: Infiltrate the Cuddle Club, ferret out the truth, and report back to Dickhead. Simple. Well, except for the fact that Dix is about as cuddly as a porcupine. Good thing for her that her assistant, the handsome, much younger, and infinitely more cuddle-friendly Dylan Foreman, is eager to go under the covers. Or, under cover with her. Head was right: all is not as it seems at the club. As Dix has always maintained, cuddling can be dangerous to your health. In fact, it can be downright deadly.

Ember's mission of mercy to a faceless hiker turns into a quest for answers with the one man she could never forget. The only thing they know for certain is that the long buried passion between them is still there just waiting for a spark. Promise Me the Stars. Scott Standish has been a rambling man since his mother got sick way back when he was eighteen. Unable to watch her die, he left home after graduation and kept roaming. But when he goes home to Harkness, New Brunswick, for a Thanksgiving visit, he discovers he's got a stowaway: ten-year-old Sid, the Kid, his sidekick from the job he just left. For once, moving on had been hard, and not just because of Sid. The attraction between him and Sid's mother, chef April Morgan, is electric. But she's a single mom needing stability, and he plans to keep moving. When April comes to Harkness to retrieve Sid, she does so in a car packed with all her worldly possessions, having been fired from her position over her daughter's behavior. Realizing her predicament, Scott offers her domestic employment. With no place to go and no one to turn to, April and Sidney make a home at the Standish farm. Her daughter is thrilled, rapidly becoming attached to the dog and the family, despite April's reminders that it's only temporary. Scott Standish might be tied to the farm for a few months, but she knows he'll settle nowhere, least of all in Harkness. April can't afford to take a chance with her heart or her daughter's. So she has no choice but to fight the yearning that grows stronger inside her every day. *Covering Her Assets* Norah

Wilson, Heather Doherty, 2014-10-23. Dix Dodd is going undercover again this time at the behest of Elizabeth Bee. No make that Mrs. Hugh Drammen. Our favorite ever enterprising spa worker has snagged herself a wealthy octogenarian husband. But she believes someone is out to kill her darling Hugh Bear. She's not about to let that happen, at least not before their first anniversary, when her inheritance entitlement kicks in. According to that pesky pre-nup, if Hugh should die before that critical anniversary, she gets nothing. Unfortunately, Hugh Drammen refuses to believe he's in any danger and won't condone an investigation, so Elizabeth has to act surreptitiously. Enter Dix posing as Dee Bee, Elizabeth's cougar mother, Dylan posing as Dee's newest gigolo, boy toy Magnus, and Mrs. Presley in the role of Elizabeth's Nanny Jane. Throw in a patriarch with OCD, a daughter and son-in-law with obvious marital problems, their recalcitrant daughter, an odd anti-social nephew visiting from Alaska, a housekeeper with a bad back that prevents her from housekeeping, a bevy of servants, and a beer-drinking rescue dog, and you have the Drammen household. It's a bizarre situation, but for a fat fee from Elizabeth, Dix is more than happy to take on the job of *Covering Her Assets*. **The Eleventh Commandment** Norah Wilson, Heather Doherty, 2015-06-10.
