As a compendium of all aspects of Malaysian life, the book captures the mood of the day with a sense of vividness and immediacy. Concise, accessible articles, revised and rewritten to engage today's readers, are introduced by headlines and liberally illustrated with photographs and specially commissioned cartoons. The book is structured chronologically with an average of eight pages devoted to each year, beginning with a succinct summary of the year's key events. A host of themes are covered, not just the major political and economic events but also the human side of the Malaysian experience: sports, fashion, music, the arts, architecture, lifestyle, disasters, crime and the social scene.
