## **Provence Comprendre La Provence Provence Pratique:**

**Les maladies neurodégénératives et maladies apparentées en pratique** François Tison, Marc Paccalin, Julie Erraud, Philippe Couratier, 2022-04-12 Les maladies neurodégénératives concernent plus d'un million de personnes entraînant des troubles cognitifs importants et réduisant de manière significative la qualité de vie et l'autonomie des patients. Ces pathologies soulèvent de nombreux défis tant sur le plan du diagnostic, de la recherche des traitements et de la prise en charge que sur le plan médico-économique et éthique. Articulé autour de six grandes parties, La pathologie et la physiopathologie des affections, ainsi que les processus neurodégénératifs et inflammatoires, Les aspects transversaux sur l'évaluation des maladies neurocognitives et l'accompagnement des patients, La maladie d'Alzheimer et les maladies associées, La maladie de Parkinson et les maladies associées, La sclérose en plaques et les maladies associées, Les autres maladies neurodégénératives, La sclérose latérale amyotrophique, La maladie de Huntington, L'ouvrage aborde pour chaque affection l'histoire, le diagnostic et l'évaluation, les déficiences, ainsi que les différents aspects de la prise en charge globale et coordonnée des patients dans l'objectif d'apporter tous ceux qui sont en charge de ces patients la fois les connaissances de base nécessaires et communes à tous et des développements plus poussés sur des données scientifiques récentes. Exhaustif et accessible, l'ouvrage est complété d'une riche iconographie de tableaux et de cas cliniques.

**Un prophétisme japonais en Afrique de l'ouest** Frédérique Louveau, 2012 Les nouvelles religions nées au Japon après la Seconde Guerre mondiale se sont exportées en Occident avec plus ou moins de succès. Les plus connues relèvent du bouddhisme et les plus rares sont issues du shintoïsme. Sukyo Mahikari est l'une d'entre elles. Né en 1959, ce prophétisme japonais s'exporta en France dès les années 1960 avant d'essaimer sur tous les continents, notamment dans les grandes villes d'Afrique de l'Ouest. Au début des années 1970, bien qu'il se définit lui-même comme un art spirituel et soit qualifié de secte par un rapport parlementaire français, Sukyo Mahikari partage la scène religieuse contemporaine à l'instar des religions historiques ou des Églises pentecôtistes. Cet ouvrage analyse les raisons de la réussite de l'implantation de Sukyo Mahikari en Afrique de l'Ouest et en Europe. Des fonctionnaires africains et français peu sensibilisés à l'Extrême-Orient s'adonnent à un rituel de purification où ils se débarrassent des corps et des mes en transmettant la Lumière du Dieu Su par la paume de la main et adoptent des pratiques issues des Enseignements en vue de restaurer le paradis sur terre. Que signifie cet engagement dans un tel mouvement religieux ? Quelles pratiques suscite-t-il ? Qui y trouvent les adeptes ? Conservent-ils leur religion ? Comment réussit-il à s'implanter localement alors qu'il est considéré comme une secte ? L'auteure a mené une étude anthropologique au cours de laquelle elle a partagé le quotidien des membres initiés de Sukyo Mahikari pendant plusieurs années. Elle met en lumière la fois les conditions socio-historiques de production de ce mouvement religieux au Japon et les conditions de réussite de son importation en contexte africain, la manière dont les adeptes laborent des logiques symboliques pour s'initier et l'instrumentalisation des pratiques religieuses pour un recours thérapeutique. Enfin, Sukyo Mahikari travaille la gestion d'un mieux-être en société qui passe par la purification des espaces publics, l'éducation des

jeunes pour le développement de l'Afrique mais aussi par des pratiques environnementales visant la restauration de la Nature  
Première étude de l'implantation de Sukyo Mahikari en Afrique cet ouvrage contribue à la réflexion sur la globalisation religieuse  
traverse l'analyse des articulations entre le global et le local laborés au sein d'un mouvement religieux dans un contexte d'exportation où les adeptes instrumentalisent localement le dispositif liturgique pour obtenir des bienfaits ici et maintenant  
sans en modifier la structure globale **Compte rendu** Association française pour l'avancement des sciences,1903

**Comment utiliser la vidéo pour améliorer sa pratique professionnelle ?** Véronique Devermelles,2018-04-17 Un guide pratique qui propose des activités et des outils pour développer les compétences de réflexivité des formateurs professionnels d'adultes sur leurs propres pratiques en vue de les améliorer *Livres hebdo* ,2010-03 Encyclopédie méthodique ,1785 *Encyclopedie methodique, ou par ordre de matières: Finances* ,1785 **Rendre la justice à Amid** Yavuz Aykan,2016-01-12 Dans son *Rendre la justice Amid* Yavuz Aykan analyse la vie juridique de la ville d'Amid capitale de la province ottomane de Diyarbakir au 18<sup>me</sup> siècle. À partir des procès verbaux des tribunaux des villes d'Amid Harput et Mardin il met en lumière la centralité du qadi du gouverneur provincial vali et du mufti dans le champ opératoire de la loi. Représentant la genalogie des textes utilisés par le mufti provincial Aykan étudie aussi la circulation de diverses interprétations juridiques de la Grande Syrie la Transoxiane et la Horde d'Or et leur intégration dans la pratique juridique ottomane. Ce livre offre ainsi une approche renouvelée et historicisée des acteurs et hiérarchies de systèmes juridiques de ce cadre provincial. In *Rendre la justice Amid* Yavuz Aykan analyses the legal life of the city of Amid the capital of Ottoman Diyarbakir province in the 18th century. Making use of court records from the cities of Amid Harput and Mardin he explores the centrality of the qadi the provincial governor and the provincial mufti to law enforcement. By tracing the genealogies of legal texts used by the mufti for fatwa production Aykan maps out the broader transformations of various judicial interpretations in their journey from Greater Syria to Transoxiana and the Golden Horde and finally into Ottoman legal praxis. As such this book offers a far more historicized approach to the multiple actors and hierarchies of juridical systems operating in this provincial setting.
