As a first lieutenant in the 11th Armored Cavalry Regiment U S Army pilot David Porter was section leader in an Aerial Scout platoon in Vietnam Their mission was to conduct reconnaissance in OH 6 aircraft a k a Light Observation Helicopter or Loach near the Cambodian border Finding and engaging the enemy at low altitude in coordination with an AH 1 Cobra gunship circling above these units developed a remarkable method of fighting the Viet Cong Hunter Killer Operations The tactic had great local success but died with the war Few today are aware of the hazards these pilots faced during times of intense combat Porter s vivid memoir recounts the internal workings of a legendary air cavalry troop in the cockpit combat actions and the men who were key players on this perilous battleground      **Uproar** Brooks Haxton,2009-03-25 In this book of homemade psalms Brooks Haxton brings the poetry of the original psalmists their awe and their music into our world of jet planes and space travel automatic rifles and suburban pleasures As he writes in his preface I take psalms less as doctrine than as outcries and I cry back in these poems from whatever vantage I can find The result is lucid touching verse that connects the exalted language of scripture with everyday experience In a poem called Dark for example Haxton riffs on the gorgeous line The night also is thine Psalm 74 as he stands on his front stoop on a particularly black night Thou shalt make them drink of the river of thy pleasures Psalm 36 brings forth a poem about the perilous joy of bodysurfing And his response to Psalm 58 The righteous shall rejoice when he seeth the vengeance becomes a poem about Westmoreland in Vietnam These vibrant scraps of ancient text reverberate with intimations of the immediate present and Haxton s poetry in response is fresh funny and tender In the pain of doubt and even in the burlesque of irreverence he explores the mystery of our abiding passion for the sacred      *The Living Word™ 2025-2026* Rena Black,Kate Cousino,Karla Hardersen,Julia Strukely,2025-03-01

Mann, 2011-04-15 The Former Prophets of the Hebrew Bible includes the books of Joshua through 2 Kings a narrative of ancient Israel's history of some seven hundred years from the conquest of Canaan to the exile when Israel lost the land From a critical perspective the narrative is a composite document incorporating many different literary sources from different times seen as a whole the result is a compelling example of ancient historiography as well as an impressive artistic achievement Included are fascinating and often horrifying stories of war religious fanaticism terror and disaster as well as stories of deep personal loyalty friendship and faith Many characters in the books of The Former Prophets are at once virtuous and villainous such as King David slayer of giants writer of therapeutic songs and builder of empire who is also a permissive parent a rapist an adulterer and a murderer The books of the Former Prophets feature a witch who is far from wicked and a religious reformer who slaughters the unorthodox Even God makes an appearance as an evil spirit Not only have such vivid personages inspired works of art and motivated groups including the Pilgrims who came to America to found communities like New Canaan The Former Prophets also present parallels often uncomfortable ones to events in our own history from ethnic cleansing to tyrannical oppression Yet the Former Prophets also picture the dream of a just and peaceful community that has motivated people of goodwill for thousands of years Through it all the Former Prophets raise perennial questions What is the relationship between divine sovereignty and human political institutions How does a culture identify insiders and outsiders In what sense are historical events the result of human acts and also of divine Providence How does a nation come to terms with its failures as well as its triumphs The Battle David Dusek, 2021-02-24 If you've seen the movie We Were Soldiers then you're familiar with the story of the U.S. Army's 1st Battalion 7th US Cavalry Airmobile and the Battle of the Ia Drang Under the leadership of then Lt Colonel Hal Moore Drastically outnumbered by the enemy the men from Garryowen clawed their way to victory in the first major clash of the Vietnam War Combining dialogue from the movie personal interviews and Biblical truth The Battle will walk you through the techniques tactics and procedures of any successful campaign including winning the battle as a father husband and man of God Catalog of Copyright Entries. Congress, 1997 **Black Lives Matter and the Image of God** Josiah U. Young III, 2023-02-15 In Black Lives Matter and The Image of God A Theo Anthropological Study the author argues that God mirrors humankind rather than the other way around God for him is made in the image of man Humankind is not created by God What one means by God is thus subjective

and informed by one's context. Consequently, Black lives matter to God only if they matter to the theologian. The depth of the matter depends on his or her experience. Hence, this book is memoiristic in discussing systematic loci like God, humankind, Christ, and the Trinity. The author concludes that God's future is inseparable from humane values that eschew white supremacy and other modes of self-deification in favor of ethics that cultivate life for all human beings. *How We Are Called*, 2003. The Greenwood Encyclopedia of Daily Life in America. Randall M. Miller, 2008-12-30. The course of daily life in the United States has been a product of tradition, environment, and circumstance. How did the Civil War alter the lives of women, both white and black, left alone on southern farms? How did the Great Depression change the lives of working-class families in eastern cities? How did the discovery of gold in California transform the lives of native American, Hispanic, and white communities in western territories? Organized by time period as spelled out in the National Standards for U.S. History, these four volumes effectively analyze the diverse whole of American experience, examining the domestic, economic, intellectual, material, political, recreational, and religious life of the American people between 1763 and 2005. Working under the editorial direction of general editor Randall M. Miller, professor of history at St. Joseph's University, a group of expert volume editors carefully integrate material drawn from volumes in Greenwood's highly successful *Daily Life Through History* series with new material researched and written by themselves and other scholars. The four volumes cover the following periods: The War of Independence and Antebellum Expansion and Reform (1763-1861), The Civil War, Reconstruction, and the Industrialization of America (1861-1900), The Emergence of Modern America, World War I, and the Great Depression (1900-1940), and Wartime, Postwar, and Contemporary America (1940-Present). Each volume includes a selection of primary documents, a timeline of important events during the period, images illustrating the text, and extensive bibliography of further information resources, both print and electronic, and a detailed subject index. **Voice of Deliverance**. Keith D. Miller, 1998. What made the speeches of Martin Luther King Jr. so inspiring to all people and enabled blacks and whites to move in harmony to action and commitment? Keith Miller shows how the skillful borrowing and blending of both black and white written traditions was the key to King's effectiveness. **Austronesian Myth or History?** J.G. Cheock, 2021-01-01.
