

# WHAT'S ON THE PSB-PN?

The Psychological Service Bureau, Inc. (PSB) offers the Aptitude for Practical Nursing Examination as a forecaster of a person's inclination & aptitude for going into a qualified practical or vocational nursing academic program. The test gives candidates an idea of how well they will do. There are 5 sections to the PSB-PN exam. The Academic Aptitude section has 3 subtests included.

The PSB-PN exam consists of a total of 225 questions.

Section	Content
Academic Aptitude	Verbal section includes 30 vocabulary items; math section includes 30 questions related to aptitude, concepts and speed of calculations, nonverbal section includes 30 questions on understanding associations, and capacity for handling concrete materials with visualization
Spelling	Gauges candidate's fundamental capacity to spell
Information in the Natural Sciences	Gauges candidate's knowledge of the basics of biology, chemistry, health, safety & so forth
Judgment & Comprehension on Practical Nursing Situations	This assessment has to do with how a candidate might handle episodes in the workplace as a nurse.
Vocational Adjustment Index	This assessment gauges a candidate personally in traits and actions as to whether he or she would be a good fit as a potential candidate or practitioner.

## Scores

Testing scores are reported in 2 ways: raw scores & percentile ranks. Raw scores represents the number of questions answered correctly. The raw score is translated into a percentile rank which is used to describe the relative standing of an individual with others.

Test takers will also find verbal ratings, ranging from "very low" to "superior" in the left margin of the Test Record and Profile Chart.
