Democracy and Education in Namibia and Beyond Amukugo, Elizabeth M., 2017-07-19 The Namibian constitution makes full provision for education as a fundamental human right and freedom Three years into independence as part of the government's educational policy the Education for All Policy was launched as a stepping stone to free quality education However inequities have become widely pronounced within the Namibian educational system Democracy and Education in Namibia and beyond debates the education democracy nexus in Namibia and the southern African context It defines and explores the meaning of democracy and related concepts It also looks at what democracy means in the context of human rights and access to education The ten chapters in this collection interrogate the strengths and limitations of education as an instrument of social change and question whether or not the Namibian educational objectives and practices do develop and help to sustain a democratic culture in Namibia The authors in the collection have drawn material from their own teaching and research experience across the fields of education and social science in Namibia and beyond and present their findings in a pedagogical framework suitable as a challenging text for tertiary students At a time when education is in crisis especially in

South Africa where strident calls for free tertiary education and Africanisation of the curriculum are spreading like wildfire this book gives scholarly insight into the history and social conditions that gave rise to our current predicament *New Serial Titles*, 1999 A union list of serials commencing publication after Dec 31 1949 **Handbook of Quality of Life in African Societies** Irma Eloff, 2019-08-09 This handbook reflects on quality of life in societies on the continent of Africa It provides a widely interdisciplinary text with insights on quality of life from a variety of scientific perspectives The handbook is structured into sections covering themes of social context culture and community the environment and technology health education and family It is aimed at scholars who are working towards sustainable development at the intersections of multiple scientific fields and it provides measures of both objective and subjective quality of life The scholarly contributions in the text are based on original research and it spans fields of research such as cultures of positivity wellbeing literacy and multilingualism digital and mobile technologies economic growth food and nutrition health promotion community development teacher education and family life Some chapters take a broad approach and report on research findings involving thousands and in one case millions of participants Other chapters zoom in and illustrate the importance of specificity in quality of life studies Collectively the handbook illuminates the particularity of quality of life in Africa the unique contextual challenges and the resourcefulness with which challenges are being mediated This handbook provides empirically grounded conceptualizations about life in Africa that also encapsulate the dynamic ingenious ways in which we as Africans enhance our quality of life *University of Namibia* University of Namibia, 1996 *Teacher Education in Diverse Settings* Larry Prochner, Ailie Cleghorn, Anna Kirova, Christine Massing, 2016-09-27 Teacher Education in Diverse Settings presents a study of initial educator preparation in three social contexts a training program for immigrant child care educators in Canada a pre and lower primary specialization in a teacher education program in Namibia and a partnership between the Misak indigenous communities in Colombia and the University of Cauca to deliver courses for educators within their communities In each setting the book explores the relationships between indigenous ways of thinking and western discourse in reference to the preparation of educators whether they be teachers community leaders or newly arrived immigrants in Canada In each case the authors focus is on the tensions between the local understandings and global ideas and the creation of space for diverse but intersecting worldviews The book's goal is to investigate ways that teacher educators parents and communities can better prepare children for the realities of schooling while preserving the integrity of local norms and values through educator preparation programs [Accessions List of the Library of Congress Office, Nairobi, Kenya](#) Library of Congress. Library of Congress Office, Nairobi, Kenya, 2001 *Global Jurisprudential Apartheid in the Twenty-First Century* Howard Tafara Chitimira, Artwell Nhemachena, Tapiwa Victor Warikandwa, 2021-09-27 In *Global Jurisprudential Apartheid in the Twenty First Century* Universalism and Particularism in International Law the contributors argue that the world is witnessing the formation of a global jurisprudential apartheid despite the promotion of democracy equality human rights and

humanitarianism Examining organisations such as international criminal courts the World Trade Organisation the United Nations Security Council the International Monetary Fund and the World Bank the contributors unpack the challenges of global jurisprudential apartheid In particular they analyse the ways in which these organizations hold and contribute to the increasing inequalities between the Global North and the Global South Ultimately Global Jurisprudential Apartheid in the Twenty First Century shows that globalisation is a variant of the apartheid era particularism and not universalism working to advantage the Global North while disadvantaging the Global South under the pretense of humanitarianism *The Wiley Handbook of Diversity in Special Education* Marie Tejero Hughes, Elizabeth Talbott, 2017-04-17 The Wiley Handbook of Diversity in Special Education is a state of the art reference showcasing cutting edge special education research with a focus on children and youth with disabilities from diverse cultural ethnic linguistic and economic backgrounds Cutting edge special education research focusing on children and youth with disabilities from diverse cultural ethnic linguistic and economic backgrounds An authoritative contribution to the field this work charts a new path to effective interventions and sets an agenda for future research Addresses disabilities from an international perspective **Leadership and Culture** Montgomery Van Wart, A. Hondeghem, E. Schwella, Vivien E. Nice, 2014-11-11 This collection examines the leadership training of public administration in 19 countries and provides information on where what and how the training occurs as well as the up to date cultural political economic background for each Factors affecting perceived importance quality and robustness of top civil servant training are examined Media System and News Selections in Namibia Andreas Rothe, 2010 What is the status quo of the Namibian media system What radio and TV stations what newspapers and magazines compete for the attention of the Namibian citizen What is the situation regarding press freedom and the formal education prospective journalists receive How do Namibian journalists select news Is the so far European focused News Value Theory a sensible explanatory approach for that How does news selection differ from Namibia to Germany from private to state media in Namibia from print to broadcasting These are some of the central issues author Andreas Rothe addresses in this English language version of his diploma thesis *Namibia National Bibliography*, 1993 **A Tale of Three Countries** Piet Naudé, Nico Cloete, 2003 *Decolonisation of Materialities or Materialisation of (Re-)Colonisation* Nhemachena, Artwell, Kangira, Jairos, 2017-11-28 Contemporary scholarly discourses about decolonising materialities are taking two noticeable trajectories the first trajectory privileges establishing connections relationships and associations between human beings and nature The second trajectory privileges restoration restitution reparations for colonial dispossessions lootings and disinheritance While the first trajectory presupposes that colonialism was merely about separation alienation and disconnections between human beings and nature the second trajectory stresses the colonialists dispossession disinheritance and privations of Africans Drawing on contemporary discourses about materialities in relation to semiotics non representationalism rhetoric ecocriticism territorialisation deterritorialisation and reterritorialisation translation animism

science and technology studies this book teases out the intellectually rutted terrain of African materialities It argues that in a world of increasing impoverishment the significance of materialities cannot be overemphasised more so for the continent of Africa where impoverishment materialises in the midst of resource opulence The book is a pacesetter in no holds barred interrogation of African materialities *The Concept of Progression in the Teaching and Learning of Foreign Languages* Theo Harden, Arnd Witte, Dirk Köhler, 2006 Based on the selected proceedings from an international conference Concept of progression in foreign language teaching and learning held in Dublin in February 2004 Cover **La formación de maestros en entornos diversos** Larry Prochner, Ailie Cleghorn, Anna Kirova, Christine Massing, 2024-08-08 Con un alto grado de rigurosidad académica el cual se aprecia en el marco conceptual y metodológico del estudio así como una casi palpable sensibilidad por los temas de la educación la infancia y la formación de maestros los autores logran explorar en este estudio las relaciones que se establecen entre las formas propias o locales en el estudio denominadas indígenas de pensamiento las prácticas de enseñanza y el discurso occidental respecto a la formación de maestros para la primera infancia en tres países distintos recurriendo a perspectivas más contemporáneas de la educación comparada *Discovery and Innovation*, 2005 **Sustainable Urban Futures in Africa** Michael Addaney, Patrick Cobbinah, 2021-12-30 Sustainable Urban Futures in Africa provides a variety of conventional and emerging theoretical frameworks to inform understandings and responses to critical urban development issues such as urbanisation climate change housing slum informality urban sprawl urban ecosystem services and urban poverty among others within the context of the sustainable development goals SDGs in Africa This book addresses topics including challenges to spatial urban development how spatial planning is delivered how different urbanisation variables influence the development of different forms of urban systems and settlements in Africa how city authorities could use old and new methods of land administration to produce sustainable urban spaces in Africa and the role of local activism is causing important changes in the built environment Chapters are written by a diverse range of African scholars and practitioners in urban planning and policy design environmental science and policy sociology agriculture natural resources management environmental law and politics Urban Africa has huge resource potential both human and natural resources that can stimulate sustainable development when effectively harnessed Sustainable Urban Futures in Africa provides support for the SDGs in urban Africa and will be of interest to students and researchers professionals and policymakers and readers of urban studies spatial planning geography governance and other social sciences
