the compact models of most commonly used semiconductor devices both active and passive represents a significant advantage for the reader. Indeed several kinds of semiconductor devices are routinely encountered in a single IC design or in a single modeling support group. Compact Modeling includes mostly the material that after several years of IC design applications has been found both theoretically sound and practically significant. Assigning the individual chapters to the groups responsible for the definitive work on the subject assures the highest possible degree of expertise on each of the covered models.

INTRODUCTION 1 1 1 Purpose This chapter provides a general history of the development of military diving operations 1 1 2 Scope This chapter outlines the hard work and dedication of a number of individuals who were pioneers in the development of diving technology. As with any endeavor it is important to build on the discoveries of our predecessors and not repeat mistakes of the past 1 1 3 Role of the U S Navy The U S Navy is a leader in the development of modern diving and underwater operations. The general requirements of national defense and the specific requirements of underwater reconnaissance demolition ordnance disposal construction ship maintenance search rescue and salvage operations repeatedly give impetus to training and development. Navy diving is no longer limited to tactical combat operations wartime salvage and submarine sinkings. Fleet diving has become increasingly important and diversified since World War II. A major part of the diving mission is inspecting and repairing naval vessels to minimize downtime and the need for dry docking. Other aspects of fleet diving include recovering practice and research torpedoes installing and repairing underwater electronic arrays underwater construction and locating and recovering downed aircraft. **Highway Safety Management Process - Planning and Programming Manual**, 1980 Magazine of Wall Street Manual., 1929 **A Manual of Physiology** George Neil Stewart, 1914 *Handbook on Public-Private Partnerships in International Infrastructure Development* Stewart R.
