Scope And Sequence Ausvels

Vicky Plows, Ben Whitburn

Scope And Sequence Ausvels:

Educational Psychology Australian Edition Anita Woolfolk, Kay Margetts, 2012-07-25 Learning and teaching is an integrated process and theory and practice cannot be separated As in the previous Australasian edition Educational Psychology 3e continues to emphasise the educational implications and applications of child development cognitive science learning and teaching Recurring themes throughout the text include ideas about education social and socio cultural aspects of education schools families and community development learning and curriculum and effective teaching Author Kay Margetts incorporates Australasian perspectives and applications using the work of Australasian researchers and teachers Numerous examples case studies guidelines and practical tips from experienced teachers are used in the text to explore the connections between knowledge understanding and practice

Inclusive Education Vicky Plows, Ben Whitburn, 2017-01-28 Inclusive education has emerged internationally over the past thirty years as a way of developing democratic citizenship Core to inclusive principles are that improved equity in education can only be achieved by eliminating the economic cultural and physical barriers that currently impede learning for particular students To strengthen inclusive practice to this end inexorably requires that we attempt to make sense of it in its current form to examine how it is enacted in educational settings from early childhood schools and communities and further and higher education to contemplate the restrictions that it might inadvertently create and to consider its effects on members of educational communities Contributions to this edited collection represent diverse perspectives yet share a commitment to challenging existing forms of educational marginalisation through policy practice theory and pedagogy The chapters emerged from discussions at the inaugural Inclusive Education Summit that was held at Victoria University Australia in 2015 They present research that was conducted in Australia New Zealand Indonesia Bangladesh Spain and the UK illustrating transnational interests and diverse approaches to practice Presented in four sections provocations pushing boundaries diverse voices and reflections the chapters explore everyday practice across a range of contexts from educating culturally and linguistically diverse refugee and or socially and economically disadvantaged students to issues of diversity brought about by and through gender giftedness and disability The book will appeal to academics students and practitioners in disciplines including education sociology social work social policy early childhood disability studies and youth studies
