Matthew gives the genealogy of Jesus Christ going back to Abraham. When Joseph is revealed to be the father of Jesus, the angel of the Lord appears to him in a dream and tells him to name the child Jesus, for he will save his people from all their sins.	Matthew shares the Sermon on the Mount. Of the 23 parables included, nine are original and describe the Kingdom of the Son of Man, the Parable of the Two Sons, and the Parable of the Sheep and the Goats.	Of the 16 miracles recorded, Matthew tells of four that are unique: Jesus walking on the sea, and the coin found in the fish's mouth. The Sermon on the Mount is also a teaching of Jesus that is unique.	Matthew's account refers to Jesus as the Son of the Future Church, the Son of Man, and the Son of David. Jesus' genealogy shows that the Kingdom would be handed over to the Gentiles, and the destruction of the Temple would occur in less than 40 years, and a future resurrection of the End Times.	Matthew recounts the 10 signs of Christ and the coming of the Son of Man. Jesus' will's disturbing dream, the resurrection of the dead, and the great tribulation to which Christ's teachings will be used.

A New Model of the Authentic Church Robert Fuggi,2018-02-08 In American church culture worldly benchmarks of achievement have all but blinded us to the true purpose of the body of Christ A New Model of the Authentic Church may be one of the most significant books written on the American church in decades It not only offers a scholarly analysis of the current state of the church but provides practical solutions The book offers a brilliantly well developed model for how to make church work more effectively If implemented it would provide a much needed paradigm shift in how we do church in America The books main contribution is that it provides a workable framework not only on how to birth new missionally minded churches but how to reform existing ones back to the Authentic Church of the gospels If its principles are taken and applied the book could alter the landscape of the American church which will be a breath of fresh theological air to a church that has lost its way in the new millennium The purpose of this book is not to just challenge and change the status quo its goal is to bring a real lasting transformation to how we do church The aspiration in writing this book is for it to be seen and read not just as a critical assessment of the condition of the American church but as a practical blueprint that will provide much renewed hope and purpose to the contemporary American church the bride of Christ
