A London season Annie Thomas,1879 **Oxberry's Dramatic Biography and Histrionic Anecdotes** William Oxberry,1825 **Oxberry's dramatic biography and histrionic anecdotes [ed. by C.E. Oxberry].** ,1825 Histrionic Hamlet Piotr Sadowski,2024-09-18 According to psychological research on acting the histrionic personality consists of a compulsive tendency to play act exaggerate emotions succumb to illusions seek attention through speech body language and costume to be seductive and impulsive An original intervention in the critical history of Shakespeare s most famous play Histrionic Hamlet argues that the Danish Prince is a stage representation of just such a personality a born actor and a drama queen rather than a politician incongruously thrown in the middle of ruthless high stakes power struggle requiring pragmatic rather than theatrical skills Uniquely among other English revenge tragedies in Hamlet a histrionic protagonist striking a series of gratuitous baffling self indulgent and counterproductive poses is called upon to carry out a challenging and brutal political task which he spectacularly and tragically mismanages Unable to perform on a theatrical stage as a professional actor the Clown Prince bitterly play acts anyway turning all situations into opportunities of pretend play rather than effective political action In consequence he wastes tactical advantages over his enemies endangers himself and jeopardizes his revenge plan if ever there was one Histrionic Hamlet should be of interest to students of Shakespeare theater practitioners and anyone interested in human dysfunctional and maladaptive behavior Histrionic Montreal Franklin Graham,1902

mad enough to insult him the consequences spin out of control and Macleod is caught up in a web of danger and intrigue With England at war with France some powerful Americans feel that the USA s best chance of remaining independent is to throw in their lot with France even if it means accepting a French king for a while To counter their plot Macleod is sent to New Orleans where he meets Marie wife of Etienne de Valois aristocrat and fop and through her learns a terrible secret Together unable to trust anyone they race to uncover the traitors at the heart of the American Government James Green uses fictional characters to illuminate the real events that lead to the birth of the American Intelligence Services and culminated in the extraordinary Louisiana Purchase which doubled the size of the USA at the cost of 3 cents an acre Packed with action and fascinating historical detail Another Small Kingdom will appeal both to those interested in the history of the USA and to aficionados of intelligent spy thrillers Xanthou's Christmas Gift Gloria Morgan,2017-12-29 Cree Summersby is focused on opening an antique store not on pursuing men who think they are Gods gifts to women But when her path crosses with the drop dead gorgeous shipping tycoon Alexei Xanthou she cannot help but rethink her views When their eyes lock Cree feels like she has been put under a spell Alexei dubbed a womanizer by the press would like to be known as a man of substance not a playboy When he sees the ravishing Cree in a restaurant he sets out to show everyone just how wrong they are about him and how right he is for her As Cree begins to fall in love she wonders whether Alexei will ever be able to reciprocate whether she can make him happy or whether they even have a future together Alexei has his own challenges as an ex girlfriend returns to claim what she believes is hers Now only time will tell whether Cree will overcome her fears and Alexei can put the past behind him so they can realize their own happily ever after In this contemporary romance novel the paths of an independent woman and a millionaire intertwine as they set out on a journey to discover whether passion can truly lead to love Our Lady of the Forest David Guterson,2004-10-04 Ann Holmes seems an unlikely candidate for revelation A sixteen year old runaway she is an itinerant mushroom picker who lives in a tent Her past has been hardscrabble Then one November afternoon in the foggy woods of North Fork Washington the Virgin comes to her clear as day Is this delusion a product of her occasional drug use or a true calling to God Gradually word spreads and thousands converge upon the already troubled town For Tom Cross an embittered logger who s been out of work since his son was paralysed in a terrible accident the possibility that Ann s visions are real offers a last chance for him and his son As Father Collins searches both his own soul and Ann s as Carolyn struggles with her less than admirable intentions as Tom alternates between despair and hope Our Lady of the Forest combines suspense grit and humour in a story of faith at a contemporary crossroad **Public Opinion**,1876 **California.
