Mann, 2021-10-13 Nigel Delphian was a poor misfit without direction when he surprised everyone around him and joined the navy. As he embarked on his new adventure, Nigel had no idea that his decision would place him on a path he never expected. Within a year of enlisting, Nigel became an otolaryngology technician who witnessed the medical field through the eyes of a keen observer. It was that interaction that spawned a dream within him to become a doctor. After completing his duty, Nigel set out on a transformative journey, working three jobs to put himself through college and ultimately gain acceptance into medical school. But when his girlfriend became pregnant and he eventually became a single parent of his young daughter Abigail, Nigel's life forever changed. Instead of attending study groups and student parties, he found himself at birthday parties as a single father, doing his best to fit in. Would his dreams slowly drift away, or would Nigel find a way to make his professional aspirations become a reality despite his personal challenges? **The Little Girl** is the true story of a young man's quest to fulfill his dream of becoming a doctor while juggling the duties of single fatherhood. **The World Shuffler** Keith

Laumer, 2016-02-29 TWAS BORING IN ARTESIA or so thought Sir Lafayette O'Leary, ex-craftsman from Earth and now seemingly ex-interdimensional swashbuckler extraordinaire as well. His battles were all won, his dragons all slain, and life was just the same boring round of riches, royal hunts, and regatas. Boring, boring, boring until he walked past the azalia. Suddenly, Artesia was gone, and O'Leary was trapped in Melange, a world of giants and pirates, karate-chopping hags, and electronic flying carpets, a world where goons and harlots are the spitting images, literally, of his own aristocratic Artesian associates. And because they think he's his double, lots of his new friends want O'Leary dead. Unless he can get through the interdimensional gate and find the continuum path back home, O'Leary's life will never be boring again. Just short. **The**
