But even when your tone is gentle and respectful, what specifically should you say when asked or confronted about your faith? And what is your overall responsibility to unbelievers as a disciple of Christ? Pastor John MacArthur responds to these very questions and more with solid biblical answers focused in four particular areas: your attitude, your preparedness, the content of your answers, and your priority in witnessing. Combining a biblical study of evangelism, a rational defense of Christian beliefs, and a practical approach to evangelism, this book offers a well-rounded perspective that can help you gently and confidently give an answer for the hope you have in Christ. **SCM Studyguide Early Christian Doctrine and the Creeds** Piotr Ashwin-Siejkowski, 2013-02-11 The SCM Studyguides are becoming increasingly well known, recognized, and adopted as accessible textbooks for level 1 students who have no prior knowledge of the subject. The SCM Studyguide Early Christian Doctrine and the Creeds offers an accessible, stimulating, and interactive guide book to the emergence of Christian identity with particular attention to the earliest form of the Christian thought and doctrine. The author analyses the crucial statements of the early Creeds and rules of faith. He explains the creedal statements on the nature of God, creation, incarnation, redemption, the Church, and eschatology and outlines the theological context which influenced their formulation and later modifications by other texts and authors. The Creeds are part of the heritage of all Christian tradition and therefore have to be studied by both theological students and in the context of education for discipleship modules. **The World of the End Bible Study Guide** Dr. David Jeremiah, 2022-11-22 This Is Our Time to Be the Answer.
