Santopietro,2008 Physical Science 4th ed is an exciting and engaging introduction to the world of physics and chemistry
Designed and written for 9th graders it provides the necessary foundation of knowledge and theory for subsequent science
courses including Biology Chemistry and Physics This textbook also shows that true science involves glorifying God and
serving our fellow humans in some capacity Through practical Bible integration students learn that a Christian worldview
permeates true science The textbook does not assume any prior knowledge in physics or chemistry other than normal life
experiences It erects a scaffold of basic information regarding matter and measurement early in the text then builds on that
beginning the essential information in classical physics work and energy thermodynamics electricity magnetism sound light
and optics After grasping these topics students are equipped to study the structure of the atom compounds and chemical
reactions and mixtures and solutions Publisher
