Readings On The Rhetoric Of Social Protest:

Readings on the Rhetoric of Social Protest Charles E. Morris, Stephen H. Browne, 2006 *The Rhetoric of Social Movements* Nathan Crick, 2020-09-22 This collection provides an accessible yet rigorous survey of the rhetorical study of historical and contemporary social movements and promotes the study of relations between strategy symbolic action and social assemblage Offering a comprehensive collection of the latest research in the field *The Rhetoric of Social Movements* Networks Power and New Media suggests a framework for the study of social movements grounded in a methodology of slow inquiry and the interconnectedness of these imminent phenomena Chapters address the rhetorical tactics that social movements use to gain attention and challenge power the centrality of traditional and new media in social movements the operations of power in movement organization leadership and local and global networking and emerging contents and environments for social movements in the twenty first century Each chapter is framed by case studies drawn from movements across the world ranging from Black Lives Matter and Occupy to Greek anarchism and indigenous land protests that ground conceptual characteristics of social movements in their continuously unfolding reality furnishing readers with both practical and theoretical insights *The Rhetoric of Social Movements* will be of interest to scholars and advanced students of rhetoric communication media studies cultural studies social protest and activism and political science

Rhetoric for Radicals Jason Del Gandio, 2008-11-01 *Rhetoric for Radicals* is intended for college aged activists and organizers and for the most part it is written in a relaxed approachable style It does get a bit cerebral and academic in places in demonstrating how the book builds on the previous literature but this material is kept to a minimum On the whole *Rhetoric for Radicals* is an invaluable comprehensive how to book that will greatly benefit beginning and seasoned rhetors alike *Rhetoric for Radicals* concludes on a hopeful note with the wish that its activist readership will internalize the book's rhetorical tools and tactics and will be that much better equipped to become the rhetors of the past who created the future And indeed there can be but little doubt that this thorough well organized accessible and even personal little handbook is the best instrument imaginable for fulfilling this purpose Frank Kaminski *Energy Bulletin* net Radicals have important messages to deliver but they are often so caught up in the passion of their causes that they lose sight of effective communication which is their most powerful tool The ability to speak with clarity and intelligence without underestimating the challenge of breaking new ground and winning new converts is crucial Activists often suffer from a credibility gap because of their lack of a coherent message and strategic delivery *Rhetoric for Radicals* addresses and helps solve these problems It provides the tools to develop the all important communication skills necessary to be effectively heard If you accept that communication creates the social world then you will agree that changing the way we communicate can change the world *Rhetoric for Radicals* provides practical guidelines for public speaking writing conversation persuasion political correctness propaganda analysis street theatrics and new languages Chapters include Streets Rhetoric and Revolution A Call for Rhetorical Action

Skills for the Multitude The Power of Language Body Rhetoric Twenty First Century Radical Rhetoric Geared to college aged radical activists and organizers this book will also appeal to activists of any age who want to sharpen their message Jason Del Gandio is a lecturer at Temple University in Philadelphia He is a post Seattle activist who has worked on globalization and free fair trade issues anti war campaigns and Latin American solidarity

Social Movement Literature Stephen Schneider,2024-02-28 Social Movement Literature introduces readers to the study of those cultural texts that have come to define modern social movements Looking at movements such as the US civil rights movement gay liberation movement environmental movement and contemporary movement such as metoo and Black Lives Matter this volume focuses not just on the texts that social movements have produced but also on those that have inspired and been inspired by those movements As such Social Movement Literature seeks to address a number of key questions how do social movements develop and present not just their goals but also their broader identities using texts and other media How are these movement texts received and further disseminated Are there common features across movement texts How and why do some of these texts continue to resonate today By combining both textual and historical approaches to the analysis of social movements this volume aims to give readers both an understanding of how social movements emerge and why they remain both political and culturally relevant today

The Rhetoric of Agitation and Control John W. Bowers,Donovan J. Ochs,Richard J. Jensen,David P. Schulz,2009-06-30 This compelling text is a careful examination of the rhetoric of dissent The Rhetoric of Agitation and Control provides a framework for the study of agitation and responses to that agitation The third edition offers a profile of past and current movements such as the street theatre of Chicago in 1968 and the innovative and technological rhetorical techniques found in the Battle in Seattle The modus operandi of todays protests continues to evolve from that of the 1960s and 1970s As smartphones and the Internet replace tie dyed shirts and flower power contemporary students and scholars alike will find this edition of The Rhetoric of Agitation and Control to be a helpful tool in studying the progression of social and protest movements

The Resisting Muse: Popular Music and Social Protest Ian Peddie,2017-09-29 Popular music has traditionally served as a rallying point for voices of opposition across a huge variety of genres This volume examines the various ways popular music has been deployed as anti establishment and how such opposition both influences and responds to the music produced Implicit in the notion of resistance is a broad adversarial hegemony against which opposition is measured But it would be wrong to regard the music of popular protest as a kind of dialogue in league against the establishment Convenient though they are such us and them arguments bespeak a rather shop worn stance redolent of youthful rebellion It is much more fruitful to perceive the relationship as a complex dialectic where musical protest is as fluid as the audiences to which it appeals and the hegemonic structures it opposes The book s contemporary focus largely post 1975 allows for comprehensive coverage of extremely diverse forms of popular music in relation to the creation of communities of protest Because such communities are fragmented and diverse the shared experience and identity popular

music purports is dependent upon an audience collectivity that is now difficult to presume In this respect The Resisting Muse examines how the forms and aims of social protest music are contingent upon the audience's ability to invest the music with the appropriate political meaning Amongst a plethora of artists genres and themes highlights include discussions of Aboriginal rights and music Bauhaus Black Sabbath Billy Bragg Bono Cassette culture The Capitol Steps Class The Cure DJ Spooky Drum and Bass Eminem Farm Aid Foxy Brown Folk Goldie Gothicism Woody Guthrie Heavy Metal Hip hop Independent home publishing Iron Maiden Joy Division Jungle Led Zeppelin Lil Kim Live Aid Marilyn Manson Bob Marley MC Eiht Minor Threat Motown Queen Latifah Race Rap Rastafarianism Reggae The Roots Diana Ross Rush Salt n Pepa 7 Seconds Roxanne Shant Siouxsie and the Banshees The Sisters of Mercy Michelle Shocked Bessie Smith Straight edge Sunrize Band Bunny Wailer Wilco Bart Willoughby Wirrinyga Band Zines

The Rhetoric of Food Joshua Frye, Michael Bruner, 2012-10-02 This book focuses on the rhetoric of food and the power dimensions that intersect this most fundamental but increasingly popular area of ideology and practice including politics culture lifestyle identity advertising environment and economy The essays visit a rich variety of dominant discourses and material practices through a range of media channels and settings including the White House social movement rhetoric televisual programming urban gardens farmers markets domestic and international agriculture institutions and popular culture Rhetoricians address the cultural political and ecological motives and consequences of humans strategic symbolizing and attendant choice making visiting discourses and practices that have impact on our species in their producing distributing regulating marketing packaging consuming and talking about food The essays in this book are representative of dominant and marginal discourses as well as perennial issues surrounding the rhetoric of food and include macro meso and micro level analyses and case studies from international neoliberal trade policies to media and social movement discourse to small group and interactional dynamics This volume provides an excellent range and critical illumination of rhetoric's role as both instrumental and constitutive force in food representations and its symbolic and material effects

[Social Movement to Address Climate Change](#) Danielle Endres, Leah M. Sprain, Tarla Rai Peterson, 2009 Deniers of climate change have benefited from political strategies developed by conservative think tanks and public relations experts paid handsomely by the energy industry With this book environmental activists can benefit from some scholarly attention turned to their efforts This book exhibits the best that public scholarship has to offer Its authors utilize sophisticated rhetorical theory and criticism to uncover the inventional constraints and possibilities for participants at

various sites of the Step It Up day of climate activism What makes this book especially valuable is that it is not only directed to fellow communication scholars but is written in a clear and accessible style to bring the insights of an academic field to a broader public of activists committed to building an environmental social movement Prof Leah Ceccarelli University of Washington This is an unusually interesting volume grounded in a sustained and coordinated analysis of the Step It Up campaign Generating a multifaceted and shared archive for analyzing the SIU campaign on global warming the volume s multiple authors critically examine intersecting dimensions of the SIU campaign its persuasive strategies organizational dynamics and political practices for everyday citizens with an eye on implications for enhancing the larger environmental movement Readers with a practical and theoretical interest in social and political movements will find this book engaging and leavened with heuristic value Professor Robert L Ivie Indiana University Bloomington Social Controversy and Public Address in the 1960s and Early 1970s Richard J. Jensen, 2017-10-01 The period between the 1960s and 1970s is easily one of the most controversial in American history Examining the liberal movements of the era as well as those that opposed them this volume offers analyses of the rhetoric of leaders including those of the civil rights movement the Chicano movement the gay rights movement second wave feminism and conservative resistance groups It also features an introduction that summarizes much of the significant research done by communication scholars on dissent in the 1960s and 1970s This time period is still a fertile area of study and this book provides insights into the era that are both provocative and illuminating making it an essential read for anyone looking to learn more about this time in America *The Rhetorics of US Immigration* E. Johanna Hartelius, 2015-11-10 In the current geopolitical climate in which unaccompanied children cross the border in record numbers and debates on the topic swing violently from pole to pole the subject of immigration demands innovative inquiry In *The Rhetorics of US Immigration* some of the most prominent and prolific scholars in immigration studies come together to discuss the many facets of immigration rhetoric in the United States *The Rhetorics of US Immigration* provides readers with an integrated sense of the rhetorical multiplicity circulating among and about immigrants Whereas extant literature on immigration rhetoric tends to focus on the media this work extends the conversation to the immigrants themselves among others A collection whose own eclecticism highlights the complexity of the issue *The Rhetorics of US Immigration* is not only a study in the language of immigration but also a frank discussion of who is doing the talking and what it means for the future From questions of activism authority and citizenship to the influence of Hollywood the LGBTQ community and the church *The Rhetorics of US Immigration* considers the myriad venues in which the American immigration question emerges and the interpretive framework suited to account for it Along with the editor the contributors are Claudia Anguiano Karma R Ch vez Terence Check Jay P Childers J David Cisneros Lisa M Corrigan D Robert DeChaine Anne Teresa Demo Dina Gavrilos Emily Ironside Christine Jasken Yazmin Lazcano Pry Michael Lechuga and Alessandra B Von Burg
