BOSTON COLLEGE
Office of Student Services

► **Instructions:** Students seeking readmission must initiate the process in the office of the appropriate Academic Dean of their school or college. Completed applications for readmission must be made at least four weeks before the start of the semester in which the student seeks to resume study. The appropriate Academic Dean will then make the decision about readmission, after careful consideration of the best interests of both the student and the University. Note: If you were required to leave for academic reasons, a transcript of your work must be provided to your Dean before a readmission decision will be made. If you were on leave due to health reasons, a physician's statement certifying your readiness to return is required.
