All candidates must have a high school diploma or the GED equivalent prior to taking the pre-admission examination for registered nursing.

Each pre-admission examination consists of three separate multiple-choice examinations.

1. The verbal ability examination assesses word knowledge through sentence completion and reading comprehension.

3. The science examination contains questions relating to general science, biology, chemistry, physics, earth science, and human anatomy and physiology.

The National League for Nursing maintains a very strict no refunds policy on all purchases and examination fees. There is no refund for cancelling and for not attending the examination. If it is necessary to switch exams, the fees paid on the first exam are neither refundable or transferable. This underscores the importance of passing the NLN PAX on the first attempt and nothing is better at accomplishing this than seeing the exact questions and answers ahead of time. If the candidate fails the examination on a first attempt and wishes to retake it, there is a waiting period before a second attempt will be permitted.
